CHURCH HOUSEKEEPING

Large churches, especially those with a school or daycare, employ a housekeeping staff. Their needs are similar to those of a hotel or school.

AMAZING TOO: For use on carpets and upholstery on pews.

SMART CHOICE and **TB QUAT** are great for restroom cleaning. Use our proportioning systems for an economical option.

CLEAR VIEW can be used to clean mirrors and glass doors located internally in a church.

TOTALLY DRY: The sanctuary only gets used a few times a week and, in older churches, can become musty. **TOTALLY DRY** works well to eliminate the odors in these areas. You do not want to use anything that would be slippery on the floors in the foyer or restrooms because you must be mindful of the elderly that will be present along with their walkers in many cases. With this product you can freshen spaces without leaving a wet residue.

Add-on For Your Sampler Pack:

POLY BRITE: For use on floors to maintain a high quality shine that stands up to dress shoes which are typically hard soled.
