

JUST RITE #2717

Non-Aerosol Penetrant, Lubricant and Demoisturant

Features:

- Immediately penetrates to free rusted parts and leave a protective coating
- Cleans and protects metal
- Silicone free
- Will not harm most plastics
- Stops squeaks
- Removes grease, grime, adhesives and tar
- Cleans and lubricates air tools
- 60,000 volt dielectric strength

Description:

JUST RITE is a non-aerosol penetrant lubricant that works like an aerosol and does not harm most plastics. Its unique formulation cleans, stops squeaks, protects metal, loosens rusted parts and displaces moisture. The product quickly penetrates to free rusted or frozen parts while leaving a protective coating to protect against rust and corrosion. This product is intended for use as a lubricant with no food contact in areas of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs where there is no possibility of food contact in food processing and food handling establishments.

Applications:

- Rollers
- Frozen Bolts
- Pipe Fittings
- Switches & Valves
- Zippers
- Spark Plugs
- Distributers
- Doors
- Windows
- Air Tools
- Firearms
- Chrome
- Locks
- Relays
- Wheels
- Moving Parts
- Hinges
- Wet Engines

Product Characteristics:

Physical State:	Liquid
Color:	Colorless to light yellow/Clear
Odor:	Solvent
Boiling Point/Range:	Not available
Specific Gravity:	0.9
Solubility:	Slightly
Vapor Density:	Not available
Flash Point:	99.4±0.0°C
Flammability:	Combustible liquid
Melting Point:	Not available
Viscosity:	Not available
Storage:	Store in a cool place in original container and protect from sunlight. Store locked up.
Transport Information:	
Proper Shipping Name:	Petroleum Distillates
UN Number:	UN1268
Class:	Not available
Packing Group:	II

Directions:

Spray area to be treated. Let soak for a few minutes then wipe. For best rust protection, do not wipe off. To remove even the most stubborn frozen bolts, spray JUST RITE on affected area then tap bolt lightly, allowing product to remain a few minutes until bolt is loosened.

Note: Avoid contact with walking surfaces. It may leave them slippery.
