

## SPECIALTY GARAGE

### **AMPED-UP #158201** Aerosol Battery Terminal Cleaner

- Quickly cleans away dirt and grease—prolongs battery life
- Cleans and neutralizes acid
- Contains red color indicator to detect leaks
- Eliminates corrosion build-up
- Easy to use. Simply spray on and wipe off. Severe corrosion may require light brushing

### **BOLT BLASTER #175601** Super Powerful Aerosol Penetrating Catalyst & Lubricant

- Rapidly cuts through rust and corrosion
- Creeps into cracks and crevices and threads with capillary wet-drilling action
- Contains built-in cleaners which help dissolve solidified grease, oil, accumulated rust and dirt
- Reduces friction and wear over a broad temperature range

### **BRAKE AWAY PLUS #1111001** Aerosol Brake Parts Cleaner

- Non-chlorinated
- High pressure (100#) solvent cleaner
- For all brake parts and CV joints
- Degreasing agents leave no residue
- No CFCs
- Featuring a powerful flush action valve

### **CARB CLEAN PRO #1193101** Aerosol Choke & Carburetor Cleaner

- Highly active solvent blend with maximum performance
- Does not contain ozone depleters
- No chlorinated solvents
- Dissolves gum and varnish
- Leaves no residue

### **KNOCK OUT #120301** Aerosol Heavy-Duty Foaming Machinery Degreaser

- Ultra-fast, super powerful grease dissolving action
- Thick clinging foam
- Releases a powerful spray
- Self-indicating foam quickly breaks down grease and grime and becomes discolored, indicating surface is ready to be flushed clean
- Industrial strength

### **MECHANIC'S HELPER #128601** Low Volatile Black RTV Silicone Automotive Gasket Maker

- Pressurized dispensing makes any size or shape gasket instantly
- Reduces inventory – eliminates the need to stock conventional gaskets
- Reduces downtime – gets equipment back in operation fast
- Save to use on oxygen sensitive equipped vehicles
- Temperature range -60°F to 450°F

### **WORK HORSE #178101** Aerosol Non-Melt Grease

- Resists corrosion, rust and oxidation
- Non-melting with exceptional adhesive and cohesive properties
- Withstands high temperatures (550°F)
- Sprays as a liquid and solidifies to a grease
