Concentrated Odor Neutralizer

- Destroys malodors for up to 24 hours
- Very pleasant fragrances
- Eliminates odors completely
- Removes odors by molecular neutralization

REFRESH is a concentrated formula that neutralizes and eliminates all airborne odors. A single spray converts the foulest malodors into a pleasant aroma by encapsulating odor molecules and chemically neutralizing them. It penetrates areas and provides a large, neutralized zone. Spray either into air or directly at surface source of odors for use as a space spray. As an evaporative deodorizer, product may be put into vaporizers or humidifiers.
