Description:

ENVIRO SOLUTION WIPES are an effective way to clean hard surfaces such as tools and equipment. Safe for use on any water-safe hard surface, ENVIRO SOLUTION WIPES provide heavy-duty grease dissolving action with the convenience of a ready-to-use wipe. The non-hazardous, phosphate-free formula has no odor or fumes, making them a safer option for spill cleanup. The pre-moistened wipe also contains a solution that makes it easy to quickly clean up spills and leaves no gritty residue. Its non-abrasive texture still has the toughness and durability of an industrial wipe without the use of harsh chemicals.
