- Pleasant fragrance
- Available in 8 ounce (257401) and 1 gallon (257407)

Description:

SANITYZER is an alcohol-based sanitizer that kills 99.9% of germs that cause illness. This product instantly sanitizes hands without water or towels. The special blend of emollients and CDC recommended amount of ethyl alcohol leaves hands sanitized, smooth and conditioned without an antiseptic smell. Helps prevent bacterial transfer and reduces hospital acquired infections. It does not replace handwashing to remove heavy soils, but it is an important step in keeping hands germ-free. The product dries quickly leaving hands feeling soft and clean.

Applications:

- Medical Offices
- Nursing Homes
- Colleges/Universities
- Dental Offices
- Hospitals
- Schools
- Offices/Stores
- Churches
- Factories
- Child Care Services
- Correctional Facilities
