

MASK – 3-PLY PLEATED #SP880801

Disposable Face Mask

Features:

- Anti-droplet
- Easy to breathe through
- Comfortable to wear
- Disposable
- 3-ply thermo-sealed mask
- Non-medical-grade, intended for public use
- 50 per box

Description:

DISPOSABLE FACE MASKS meet the W.H.O's (World Health Organization) requirements for face coverings to be worn by the general public. These masks decrease the amount of spittle from cough, sneeze and speech into the air to help limit the amount of germs that are expelled.
