Gel Antiseptic Handwash

### FEATURES:

- Kills 99.9% of most common germs
- Contains 70% Ethyl Alcohol
- Evaporates quickly
- Leaves hands soft
- 8 Fl. Oz. bottle

### DESCRIPTION

**SANIFY PLUS** is a liquid antiseptic handwash that is effective at killing germs while still leaving hands soft. This product contains 70% Ethyl Alcohol which exceeds the CDC required amount to kill most germs. No water is needed, just cover hands completely and rub hands until dry.
