

HAND SANITIZER ANNOUNCEMENT

NOW AVAILABLE

CLEAN ALL HAND SANITIZER-LIQUID

Mild Scent Hand Sanitizer

#SP881601

FEATURES:

- 80% Ethyl Alcohol
- Effective at eliminating more than 99.9% of many common harmful germs and bacteria in as little as 15 seconds
- Reduces the amount of microbes on hands
- Decreases bacteria on the skin that could cause disease
- Recommended for repeated use
- Four 16 fl. oz. spray bottles with trig sprayers are included with every case purchase.

DESCRIPTION:

CLEAN ALL is made from quality ingredients and sterilized water. The alcohol content is above the CDC and WHO recommended percentage amount needed to eliminate germs. Clean All is effective at killing germs. Simply spray on hands and rub to cover hands completely and let air dry.
