## ALLSHIELD HAND SANITIZER GEL #SP882701

### FEATURES:

- 99.9% effective in preventing the spread of germs
- Exceeds the recommended amount of alcohol per the CDC
- Safe for skin
- Contains 70% ethyl alcohol
- Made in the USA

### DESCRIPTION:

ALLSHIELD is an American-made, 99.9% effective solution to help you reduce the spread of germs immediately and effectively. At 70% ethyl alcohol, this product exceeds the CDC's recommended alcohol content. Where water and soap are not immediately available, ALLSHIELD provides a quick and convenient solution.
