

SANI-SHIELD ANTIMICROBIAL CLEANER #2577

3-N-1 Multi-Purpose Cleaner

Features:

- 1-Step cleaner and protectant
- Cleans with the oxidizing power of hydrogen peroxide
- Shields surfaces to prevent re-soiling and re-contamination for easier cleaning
- Provides prolonged protection against damaging microbes such as odor causing bacteria, fungi, mold, mildew, algae and other microorganisms for 90 days or longer without reapplication
- Provides antimicrobial/bacteriostatic barrier that inhibits the growth of odor causing bacteria, algae, fungi and other contaminants
- Reduces time, labor and maintenance
- Leaves a refreshing minty fragrance

Description:

SANI-SHIELD® is a 1-Step "spray and wipe" surface technology for general cleaning, deodorizing and protecting of hard, non-porous environmental surfaces.

It is user and earth safe; free of harsh acids or alkalis, phosphates, ammonia, glycol ethers, terpenes, hydrocarbon propellents, CFC's, quaternary ammonium compounds and chlorine bleach. Cleans 99% of everyday soil, grime, foodstuff, soap scum, grease, oil and other organic soil on tables, counters, appliances, sinks, tubs, tile, toilets, faucets, mirrors, computers, TV remotes, door handles and railings—for all horizontal and vertical surfaces.

Protects surfaces with an invisible, "antimicrobial" water, soil and stain repellent barrier coating on which odor-causing bacteria, mold and mildew will not grow in-between cleaning. It reduces the adhesion and build-up of organic soil and inorganic hard water minerals, lime scale, rust and stains for easier next-time cleaning.

Applications:

- Glass
- Chrome
- Porcelain
- Laminates
- Ceramics
- Plastics
- Stainless Steel
- Marble/Granite

For Use On:

- Tables
- Counters
- Toilets/Tubs
- Sinks/Faucets
- Mirrors
- Computers
- Appliances
- Telephones
- Tile
- Office Equipment
- TV Remotes
- Door Handles and Railings

For Use By:

- Hospitals
- Nursing Homes
- Hotels
- Schools
- Spas
- Motels
- Warehouses
- Restaurants
- Offices
- Universities
- Colleges
- Healthcare Establishments

Product Characteristics:

Appearance:	Clear liquid
Color:	Colorless
Odor:	Mint
Boiling Point:	100°C (212°F)
Vapor Pressure:	Not applicable
Viscosity:	Water
Solubility:	Soluble in water
Solubility in Water:	Soluble
Relative Density:	1
Flash Point:	Non-flammable
pH:	5 [Conc. (% w/w): 1%]
Evaporation Rate:	1 (Water = 1)
Storage:	Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Keep container tightly closed and sealed until ready for use.
Transport Information:	
UN Number:	Not regulated
Proper Shipping Name:	Not available
Class:	Not available
Packing Group:	Not available

Directions:

To clean and shield surfaces in one step, spray surface with SANI-SHIELD and wipe with cloth, paper or microfiber towel until dry and polished. For heavier soil, spray surface to saturate soil and massage with sponge or micro-fiber cloth. Wipe with dry cloth until clean and polished. Note: For electronic equipment, spray on cloth first and wipe until clean and dry.

Pictograms:

Not applicable.

Signal Word:

No signal word.

Personal Protective Equipment Required:

None.

DOT Placard:

None.

VOC Compliant:

Yes.

Properties:

Abrasive:	None
Freeze/Thaw Stability:	Good
Storage Stability:	Minimum 2 years
