SKIN CARE

CLEAN PURSUIT SPRAY/GEL #2577

Hand Sanitizer and Topical Antiseptic

- Fast Acting
- Kills 99.9% of Germs and Microbes
- Contains 80% Ethyl Alcohol (Spray)
- Contains 75% Isopropyl Alcohol (Gel)
- Keeps hands softer than ordinary alcohol hand sanitizers
- Available in 3.38 oz. bottles perfect for travel

CLEAN PURSUIT SPRAY and GEL are great alternatives when soap and water is unavailable. The CDC recommends using a hand sanitizer with at least 60% alcohol and these products contains 80% or 75% alcohol, thus providing more than the recommended amount to kill germs. The product either comes in an easy-to-use spray or gel.

Ideal for: medical offices, nursing homes, colleges/universities, dental offices, hospitals, schools, offices, stores, churches, factories, child care services, correctional facilities, warehouses

Appearance	Clear
Odor	Alcohol

E2 FOAMING HAND SOAP #SP879907

Antibacterial and Antimicrobial

- Unique combination of ingredients gently cleans hands
- Great for use by food processing personnel to clean hands
- Use as a foaming soap
- Contains an emollient to help moisturize skin
- NSF Certified: E2

This foaming hand soap contains quaternary ammonia compounds to offer onestep sanitizing and cleansing capabilities. It effectively kills germs and bacteria and prevents cross-contamination, while an emollient is added to leave hands moisturized. It can be used regularly and still keep hands soft.

Ideal for: medical offices, nursing homes, colleges/universities, dental offices, hospitals, schools, offices, stores, churches, factories, banks, child care services, correctional facilities, warehouses

Appearance	Light yellow
Odor	Detergent

PEPPERMINT STOPS #1546

Natural Insect Repellent

- DEET-free formula
- Repels Mosquitos, biting flies, chiggers, ticks, fleas and other small flying insects
- Non-toxic to all mammals
- Does not harm the environment
- Active Ingredients: Peppermint and Castor Oil
- Sprays in any direction

PEPPERMINT STOPS is a DEET free, natural insect repellent does not contain any harsh chemicals, artificial colors, synthetic pesticides or fragrances. The peppermint fragrance repels mosquitos, biting flies, chiggers, ticks, fleas and other small flying insects while leaving a refreshing scent. Protects user from diseases carried by flying insects. This product is safe to use to use around children and pets and can be applied to clothing as well as skin. The formula is powerful on insects but gentle on your pack.

Ideal for: utility workers, lawn maintenance professionals, construction workers

Appearance	Misting aerosol spray
Odor	Peppermint

SANIFY PLUS #1576

Gel Antiseptic Handwash

- Kills 99.9% of most common germs
- Evaporates quickly
- Leaves hands soft
- Contains 70% Ethyl Alcohol
- 8 oz. bottle

SANIFY PLUS is a gel antiseptic handwash that is effective at killing germs while still leaving hands soft. This products contains 70% of Ethyl Alcohol which exceeds the CDC required amount to kill most germs. No water is needed, just cover hands completely and rub hands until dry.

Ideal for: medical offices, nursing homes, colleges/universities, dental offices, hospitals, schools, offices, stores, churches, factories, banks, transit systems, warehouses

Appearance	Clear liquid
Odor	Alcohol

SKIN CARE

SANITYZER #2574

Gel Antiseptic Handwash

- Kills 99.9% of most common germs
- Dries quickly
- Leaves hands feeling soft and clean
- 60% Ethyl Alcohol
- Concentrated and economical
- Easy to use – simply apply to hands and massage into skin
- Pleasant fragrance
- Available in 8 oz. (257401) and 1 gallon (257407)

SANITYZER is an alcohol-based sanitizer that kills 99.9% of germs that cause illness. This product instantly sanitizes hands without water or towels. The special blend of emollients and CDC recommended amount of ethyl alcohol leaves hands sanitized, smooth and conditioned without an antiseptic smell. Helps prevent bacterial transfer and reduces hospital acquired infections. It does not replace handwashing to remove heavy soils, but it is an important step in keeping hands germ-free. The product dries quickly leaving hands feeling soft and clean.

Ideal for: medical offices, nursing homes, colleges/universities, dental offices, hospitals, schools, offices, stores, churches, factories, banks, child care services, correctional facilities, warehouses

Appearance	Clear, colorless liquid
Odor	Mild Odor

DISINFECTANTS & DEODORANTS

GERM ENFORCER #1573

Aerosol Disinfectant Spray and Deodorant

- Kills 99% of germs
- Antibacterial, tuberculocidal, pseudomonacidal, germicidal-fungicidal
- Kills MRSA, HIV-1, H1N1
- Eliminates odors
- Prevents mold and mildew
- Meets AOAC Efficacy Standards for hospital aerosol disinfectants
- Ready to use

GERM ENFORCER is a disinfectant spray and deodorant that is for use only on hard, non-porous environmental surfaces. It is effective in preventing mold and mildew on environmental surfaces in your home and in public places. Disinfects and deodorizes surfaces through effective bacterial and fungicidal activity while leaving a fresh scent and eliminating odors. Kills Staphylococcus aureus (Staph), Streptococcus hemolyticus (Strep), Pseudomonas aeruginosa, Methicillin-Resistant Staphylococcus aureus (MRSA), Mycobacterium bovis (BCG), Salmonella enterica, Trichophyton interdigitale (athlete's foot fungus), Vancomycin-Resistant Enterococcus faecalis (VRE), Influenza A Virus, Influenza B Virus, Swine Influenza A Virus Strain (H1N1) and Influenza A Virus Strain Hong Kong on pre-cleaned, hard, non-porous environmental surfaces.

GERM ENFORCER (EPA REG. NO. 67603-4-11861) has demonstrated effectiveness against viruses similar to 2019 novel coronavirus-Wuhan (also 2019-nCoV) on hard non-porous surfaces. Therefore, these products can be used against 2019 novel coronavirus-Wuhan (also 2019-nCoV) when used in accordance with the directions on hard, non-porous surfaces. Refer to the CDC website (https://www.cdc.gov/coronavirus/2019-ncov/index.html) for additional information.

Ideal for: vinyl, ceramics, glass, metal, porcelain, polypropylene, polyethylene, polyester, rubber, enameled surfaces, ABS, hospital rooms, sick rooms, doctor's offices, nurseries, kitchens, bathrooms, locker rooms, floors, shower stalls, benches

Appearance	Liquid
Odor	Not available

DISINFECTANTS & DEODORANTS

GERM-O-FOAM #1572

Foaming Disinfectant Cleaner - Country Scented

- Virucidal, bactericidal, fungicidal and deodorizer
- Cleans and disinfects against MRSA, HIV-1, bacteria and fungi
- Controls mold and mildew
- Up/down valve
- Cleans and shines while leaving a fresh clean scent
- Nonabrasive and does not scratch fiberglass
- Designed for general cleaning, deodorizing, sanitizing and disinfecting
- EPA registered
- No scrubbing

Ideal for: fiberglass, soils, baked enamel, debris, glazed porcelain, plastic, stains, chrome, grease, grime, body oils, cafeterias, hospitals, schools, restaurants, nursing homes, offices, motels, hotels, bars

GERM-O-FOAM is a hospital grade germicidal cleaner and surface deodorizer. This multipurpose product can be used for general cleaning as well as a disinfecting and sanitizing and safe to use on most non-porous, inanimate surfaces. It can be used in both institutional and household cleaning. Keep areas smelling fresh with the pleasant scent of a country meadow. No rinsing or scrubbing is needed.

When using as directed, this product has shown to be an effective disinfectant against Pseudomonas aeruginosa, Salmonella enterica, and Staphylococcus aureus. Efficacy tests have demonstrated that this is an effective one-step cleaner/disinfectant in the presence of organic soil (5% blood serum) with a 10-minute contact time. GERM-O-FOAM kills Trichophyton interdigitale, the cause of Athlete's foot fungus, on hard, nonporous surfaces found in bathrooms. It is also effective against Herpes Simplex Types 1 and 2 and influenza viruses.

Appearance	Liquid
Odor	Not available

ONE STEP #2571

Disinfectant All Purpose Cleaner and Deodorizer

- Ready to use (R-T-U) cleaner and disinfectant
- For disinfecting let air dry or wipe with a clean cloth
- One-step germicidal disinfectant cleaner and odor neutralizer, saves time and money
- Use for general cleaning
- Disinfects hard, nonporous surfaces
- Removes odors as it cleans
- No rinsing required for surfaces not in direct contact with food

Ideal for: healthcare facilities, locker rooms, schools, nursing homes, veterinary offices, kennels, universities, colleges, hotels, motels, gyms, factories

ONE STEP is a one-step cleaner and disinfectant for spray and wipe cleaning. Formulated to disinfect hard, nonporous, inanimate environmental surfaces such as: floors, walls, sink tops, ceramic tile in bathrooms, shower stalls, bathtubs and cabinets. May also be used in kitchens for counter tops, appliances and stovetops. On food contact surfaces, you will need to rinse thoroughly with potable water.

ONE STEP: EPA REG. NO. 1839-220-11861 has demonstrated effectiveness against viruses similar to 2019 novel coronavirus-Wuhan (also 2019-nCoV) on hard, nonporous surfaces. Therefore, this product can be used against 2019 novel coronavirus-Wuhan (also 2019-nCoV) when used in accordance with the directions for use against Human Rotavirus, Feline Calicivirus, Canine Parvovirus, Rhinovirus Type 14, Rhinovirus Type 39 and Poliovirus Type 1 on hard, nonporous surfaces. Refer to the CDC website ((https://www.cdc.gov/coronavirus/2019-ncov/index.html)).

Appearance	Clear liquid
Odor	None

SANI-SHIELD ANTIMICROBIAL CLEANER #2577

3-N-1 Multipurpose Cleaner

- 1-Step cleaner and protectant
- Cleans with the oxidizing power of hydrogen peroxide
- Shields surfaces to prevent re-soiling and re-contamination for easier cleaning
- Provides prolonged protection against damaging microbes such as odor causing bacteria, fungi, mold, mildew, algae and other microorganisms for 90 days or longer without reapplication
- Provides antimicrobial/bacteriostatic barrier that inhibits the growth of odor causing bacteria, algae, fungi and other contaminates
- Leaves a refreshing minty fragrance

Ideal for: hospitals, schools, warehouses, universities, colleges, nursing homes, spas, nursing homes, hotels, motels, restaurants, offices, healthcare establishment

SANI-SHIELD® is a 1-Step "spray and wipe" surface technology for general cleaning, deodorizing and protecting of hard, non-porous environmental surfaces. It is user and earth safe; free of harsh acids or alkalis, phosphates, ammonia, glycol ethers, terpenes, hydrocarbon propellents, CFC's, quaternary ammonium compounds and chlorine bleach. Cleans 99% of everyday soil, grime, foodstuff, soap scum, grease, oil and other organic soil on tables, counters, appliances, sinks, tubs, tile, toilets, faucets, mirrors, computers, TV remotes, door handles and railings—for all horizontal and vertical surfaces.

Protects surfaces with an invisible, "antimicrobial" water, soil and stain repellent barrier coating on which odor causing bacteria, mold and mildew will not grow in-between cleaning. It reduces the adhesion and build-up of organic soil and inorganic hard water minerals, lime scale, rust and stains for easier next-time cleaning.

Odor	Citrus or Linen

DISINFECTANTS & DEODORANTS

SANI-SHIELD ANTIMICROBIAL SURFACE WIPES #2138

Aerosol Disinfectant and Deodorant

- Cleans 99.9% of organic and inorganic soil with hydrogen peroxide
- Residue Free-1 Step Surface Wipe (Pre-moistened towelette)
- Protects with invisible barrier on which odor causing bacteria, mold, mildew will not
- grow in between cleaning and shields against microorganisms and biofilms.
- Shields against buildup, soil and recontamination in between cleaning
- 1 Pre-moistened towelette per pack/ 80 packs per box
- Box opens as a box or a dispensing box
- Keeps surfaces sanitary and smoother than ordinary wipes

SANI-SHIELD ANTIMICROBIAL SURFACE WIPE can be used on a multitude of surfaces. It shields with a microbial resistant barrier coating that seals the surface to eliminate the moisture and nutrients needed for microbes and pathogens to thrive and grow. It contains over .5% hydrogen peroxide which is extremely advisable by the CPD to help prevent microorganisms and viruses to thrive on a surface. It's free of harsh acids, alkalis, phosphates and ammonia, glycol ethers, terpenes, hydrocarbon propellants, CFC's, quaternary ammonium compounds and chlorine bleach.

Ideal for: hospitals, schools, warehouses, universities, colleges, nursing homes, spas, nursing homes, hotels, motels, restaurants, offices, healthcare establishment

SPACE GUARD #1326

Aerosol Disinfectant and Deodorant

- Disinfectant, fungicide, mildewstat, tuberculocidal
- Two-way deodorizer for use on precleaned, hard, nonporous surfaces
- Controls microorganisms that create strong, foul odors
- Sanitizes fabric, leather, shoes, mats and equipment
- Controls the growth of black mold and fungi
- EPA registered

SPACE GUARD is a highly versatile disinfectant, antimicrobial agent, sanitizer, deodorizer and mildewstat. Because it is safe to use on nonporous surfaces as well as fabric, overspray will not affect multi-material pieces such as chairs and sofas.
SPACE GUARD (EPA REG. NO. 44446-67- 11861) has demonstrated effectiveness against viruses similar to 2019 novel coronavirus-Wuhan (also 2019-nCoV) on hard non-porous surfaces. Therefore, this product can be used against 2019 novel coronavirus-Wuhan (also 2019-nCoV) when used in accordance with the directions on hard, non-porous surfaces. Refer to the CDC website (https://www.cdc.gov/coronavirus/2019-ncov/index.html) for additional information.

Ideal for: hospitals, medical offices, clinics, schools, restaurants, cafeterias, institutional use, ambulances, dental offices, laboratories, residential facilities, housing authorities, nursing homes, veterinary offices, hotels, motels, food storage, food service, food processing, food packaging, food handling services

EQUIPMENT

MASK - 3-PLY PLEATED #SP880801

Disposable Face Mask

- Anti-droplet
- Easy to breathe through
- Comfortable to wear
- Disposable
- 3-ply thermo-sealed mask
- Non-medical-grade, intended for public use
- 50 per box

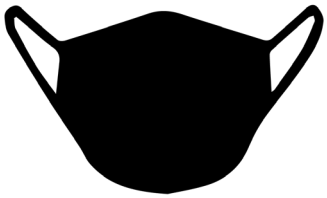
DISPOSABLE FACE MASKS meet the W.H.O's (World Health Organization) requirements for face coverings to be worn by the general public. These masks decrease the amount of spittle from cough, sneeze and speech into the air to help
limit the amount of germs that are expelled.

EQUIPMENT

MASK-WASHABLE, PREVENTATIVE FACE MASK | #SP882101

Face Mask

- Non-medical grade
- Reusable and launderable
- 3-layer fabric mask with elastic ear loop
- Outer layer: 100% polyester
- Lining: Non-woven
- Inner layer: 100% cotton



MASK-WASHABLE, PREVENTATIVE FACE MASK BLACK meet the W.H.O's (World Health Organization) requirements for face coverings to be worn by the general public. These masks decrease the amount of spittle from cough, sneeze and speech into the air to help limit the amount of germs that are expelled.

MISTING BOTTLE DISPENSER | #4236

Spray Bottle

- Designed for sanitizers and disinfectants
- Add a secondary label to comply with OSHA guidelines
- Fine mist and even surface coverage
- Prevents product waste with almost 100% evacuation
- Compatible with RTU formula
- Continuous 360° dispensing spray mist
- Reusable and refillable
- Ergonomic trigger design for easy, continuous spray patte
- Reduces hand strain from constant trigger pulls
- Holds 24 oz. of liquid

The Misting Bottle Dispenser is the perfect addition to any product that needs to be applied with a fine mist spray. This dispenser bottle is designed to deliver an even spray mist that is ideal for sanitizing and disinfecting most hard and soft surfaces. It covers a larger surface area per pump for quicker and more efficient cleaning and disinfecting.

MULTI-PURPOSE COOLING NECK BANDS | #4125

Heat Stress Prevention

- Rated UPF 50
- Reusable
- Machine washable
- One size fits most
- Moisture-wicking material
- Activated by water
- Available in Hi-Vis Yellow (412501) Blue (412511), Camo (412531) and Black (412521)

MULTI-PURPOSE COOLING NECK BANDS are easy to clean and keep you cool on the hottest of days. The multi-purpose band can be used and worn in a variety of ways. The cooling bands are activated by water. There are two key factors that make this a cooling product. The material is moisture wicking, lightweight and will soak up sweat without getting heavy and soaked. Another key factor is that the product is rated UPF 50. While being lightweight and breathable, the bands also provide excellent protection against the sun.

POLYCARBONATE FACE SHIELD & HEADGEAR KIT | #SP883701

Face Shield and Headgear Combo

- Unit contains 1 headgear + 5 face shields
- Single user only
- Comfortable and functional over the top face protection
- Adjustable head strap holds face shield in place
- Face shield protects against splash and splatter
- Foam headband provides comfort
- Can be worn over prescription eye wear and face masks
- Replacement face shields available
- The product has been authorized by FDA under an EAU for use by healthcare providers as personal protective equipment

POLYCARBONATE FACE SHIELD & HEADGEAR KIT is white with black foam and features an adjustible head strap to hold shield in place. It is easy to use and replace while providing comfort and protection from splash and splatter.
