

# CITRA BLAST #1634

## Natural Cleaner Degreaser and Deodorant

### Features:

- High pressure flushing action
- Low residue
- Free rinsing with water
- Used for construction, heavy equipment and car/truck engines
- Excellent asphalt removal
- Excellent adhesive remover
- All organic ingredients

### Description:

CITRA BLAST is the perfect solution for cleaning and degreasing metal surfaces. Our Environmentally Safe formula is non-acid, non-caustic, non-corrosive and contains no petroleum distillates or chlorinated solvents. This biodegradable product is made from all organic ingredients and is a safe alternative to using chlorinated solvents. The high pressure spray blasts away grease and grime leaving a low residue, so the parts can air dry or be rinsed clean with water.

### Applications:

- Auto Motors
- Dumpsters
- Road Equipment
- Garbage Cans
- Concrete Equipment
- Farm Equipment
- Trucks
- Masonry Equipment
- Construction Equipment

### Product Characteristics:

<b>Transport Information:</b>	
UN Number:	1950
Proper Shipping Name:	Aerosols, flammable
Class:	2.1
Packing Group:	-

### Directions:

Hold can approximately 8 inches away from area to be degreased. Spray liberally and allow product to penetrate grease, tar or grime. For heavy deposits, allow extra time in order to penetrate. For tougher spots and stains, agitate with a brush. Wipe area clean with a damp cloth or rinse thoroughly with water.
