

E2 FOAMING HAND SOAP #SP879907

Foaming Hand Soap

Features:

- Unique combination of ingredients gently cleans hands
- Great for use by food processing personnel to clean hands
- Use as a foaming soap
- Contains emollient to help moisturize skin
- NSF Certified: E2

Description:

This foaming hand soap contains quaternary ammonia compounds to offer one-step sanitizing and cleansing capabilities. It effectively kills germs and bacteria and prevents cross-contamination, while an emollient is added to leave hands moisturized. It can be used regularly and still keep hands soft.

Applications:

- Food Processing Plants
- Office Buildings
- Industrial Facilities
- Retail
- Factories
- Warehouses
- Nursing Homes
- Motels/Hotels
- Schools
