

PRO CHEM HAS WHAT YOU NEED TO TREAT YOUR HVAC UNITS

TO TREAT COILS:

COIL NU #2636

- No harsh acids, but works like one
- Effective both vertically and horizontally
- Foaming
- Highly concentrated – dilute 1:9, up to 1:30
- Not for polished or anodized aluminum
- Available in 5 Gallon Pail and 20 Gallon Drum

PRO EARTH COIL CLEANER #2922

- Eco friendly – EPA's Safer Choice Program
- Emulsifies grease and oil
- Concentrated – dilute 1:7
- For use on Evaporators and condenser coils
- Available in 1 Gallon Jug

COIL BRITE #1238

- Great for radiators
- No Rinse Formula
- Foaming Action penetrates deep into coils
- Deodorizes as it cleans
- Breaks down organic blockages
- Odor free

COIL CARE #2240

- For coils, fins and filters
- Acid free, non-corrosive, non-flammable and biodegradable
- Concentrated - dilute 1:10
- Available in 1 Gallon Jug, 5 Gallon Pail and 55 Gallon Drum (SP)

COIL QUICK #2600

- Solvent-free, non-caustic and phosphate free
- Rinsing not required
- Low foaming
- Non-flammable
- Can be used on filters as well as coils
- Prevents dust accumulation for up to 3 months
- Concentrated - dilute 1:3
- Available in 5 Gallon Pail, 20 Gallon Drum and 55 Gallon Drum

TOTAL FOAM #2953

- Non acid – alkaline based
- Foaming condenser Coil Cleaner
- Concentrated – dilute 1:3-4
- Lifts away grease, oxides and contaminants
- Odorless
- Non-hazardous

COIL FRESH #1516

- Aerosol foaming cleaner
- Self rinsing
- Cleans and disinfects
- Effective against Canine Parvovirus, Coronavirus, Tuberculosis
- Is a mildewstat
- EPA registered
- Light citrus fragrance

ALUMIN-NU #2956

- Cleans and brightens corroded and oxidized aluminum
- Safe alternative for hydrochloric and sulfuric acids
- Removes calcium, lime scale and silicate deposits
- Concentrated - dilute 1:5
- Available in 1 Gallon Jug, 30 Gallon Drum (SP) and 55 Gallon Drum (SP)

TO TREAT CONDENSATION PANS:

SLO-GEL #3905

- Treats up to 7.5-ton units
- Last for 6 months
- Locks into pan preventing blockage
- Does not release noxious fumes
- Eliminates odor by attacking the bacteria

DRAIN COMMANDER #1405

- Foaming drain cleaner and odor eliminator
- Breaks down fats, oils and greases (FOG)
- Non-toxic expanding foam
- Non-polluting
- Contains no acids or caustics
- Can be used in HVAC condensation pans and drains, only use a small amount of product so the foam does not cause the drain pan to overflow

TO TREAT CONDENSATION PANS (CONTINUED):

CITRA-SOLV #2424

- Natural orange terpenes (95%), no petroleum distillates
- Non-corrosive, non-caustic, non-acid formula
- Quickly and effectively dissolves and washes away scum in drain lines
- Available in Quart Bottles, 1 Gallon Jug, 5 Gallon Pail, 30 Gallon Drum and 55 Gallon Drum

ODOR BLANKET #2430

- Effectively flushes slime and organic clogs, restores drains to full flow
- Contains no acids, alkalis, petroleum distillates or emulsifiers
- No fumes – pleasant scent, odor counteractant
- Biodegradable, 100% pure orange solvent
- Does not affect septic system
- Will not harm condensate pan, pipes or fittings

SLIME TAB 180 #3419

- Pre-measured to treat 3-ton unit
- Lasts for 6 months
- Controls germs, fungi, bacteria, slime and black algae
- EPA registered

PAN BAR GOLD #SP807

- Initial shock dose during the first 48 hours
- EPA registered biocide
- Contains corrosion inhibitors, surfactants and odor counteractant
- Available in up to 1-1/2 – 50 tons depending on unit

SLIME-X #3900

- Treats up to 5-ton units
- Prevents disease causing bacteria
- Last for 90 days

TO TREAT DUCT WORK:

CLEAN AIR #2344

- Can be used in the ducts, evaporator coils, drip pans to remove odors
- No odor, perfumes, alcohol or masking agents
- Destroys odors associated with bacteria, mold, mildew, smoke, animals etc.
- Point-of-contact microbial control
- EPA registered

ALUMI-SEAL #1283

- Heating & Ventilating Duct Work
- No caulking gun required
- Cured material stays flexible as low as -76°F
- Can be applied overhead or on side-wall joints
- Remains watertight and weatherproof through years of exposure
- Temperature range of -76°F to 300°F and up to 400°F

EXTRAS:

PUMP UP SPRAYERS #4155/#4152

- Can be used to apply clean air to ducts.
- Use with bulk coil cleaners

FLEXI COAT PLUS#1454

- Used to seal corroded drain pans

CLEAR SEAL #1288

- Used to seal around units

FRESH AIR IN A BUCKET #3333

- Available in 10 fragrances
- Pre-measured for single use
- Use in single units by the filter to keep rooms smelling fresh

PRO VISION SAFETY GLASSES

- Variety of styles and lenses available
