COIL BRITE & COIL FRESH

HVAC MAINTENANCE PRODUCTS

COIL BRITE #1238

Aerosol Bioenzymatic Foaming Coil Cleaner

- Bioenzymatic action causes the breakdown of organic blockages to help keep drip pans and drain lines clean, free flowing and odor free
- No-rinse formulation
- Deodorizes as it cleans
- Nonacid and no harsh fumes
- Increases air flow and unit efficiency
- Foaming action penetrates deep into the coils
- Restores cooling efficiency while reducing energy consumption

COIL FRESH #1516

Aerosol Foaming Evaporator Coil Cleaner and Disinfectant

- Water based aerosol foam
- No rinsing required
- One-step cleaning, disinfecting and deodorizing action
- EPA registered for HVAC applications
- Virucide, mildewstat (on hard, inanimate surfaces), fungicide (against pathogenic fungi)
- Disinfects against Legionella Pneumophila, Canine Parvovirus and Herpes Simplex Virus Type I and II
- Nonabrasive and biodegradable
