

Suggested Products For Rental Companies

4-N-1 #1707

4-N-1 is a high dielectric spray that protects against industrial and atmospheric pollution, dust, abrasive matter and chemical fumes. It forms a non-drying, invisible film that prevents moisture-induced deterioration and malfunctions on motors, transformers, switches, relays, timers, fuses, circuit breakers, ignition systems, capacitors, rheostats and other electrical components and circuitry without any loss in conductivity. It creeps along surfaces and into cracks to lubricate, prevent rust, and loosen frozen parts. It leaves a water-displacing shield and a lubricating film to make anything run smoother. 4-N-1 can also be used on injection molds and dies. Use as a flushing agent when introducing new greases to bearings and gear boxes. This product is suitable for use as a lubricant where there is no possibility of food contact in food processing and food handling establishments.

AIR TAG #3365

Air Fresheners to Place Anywhere

AIR TAG is a versatile air freshener that can be placed anywhere. Place in fan cabinets, paper towel cabinets, storage rooms, mop closets, and even cut up in vacuum cleaners. As compared to most gel or metered aerosol air fresheners, AIR TAGs are manufactured with over 50% less energy than typical plastic steel containers, making them more environmentally friendly than typical air fresheners.

AIRMATIC #3349

Aerosol Metered Odor Neutralizer

AIRMATIC contains powerful neutralizing fragrances that dispel malodors from a variety of sources, leaving a clean, fresh scent. Each can contains 3000-metered sprays that continually freshen the air in an area up to 6,000 cubic feet.

ALIVE PLUS #2429

Liquid Bacterial Waste Digester & Odor Counteractant

ALIVE PLUS contains a synergistic blend of engineered bacterial strains for effective removal of various organic soils. It is fortified with free enzymes and detergents. It utilizes the natural ability of unique bacterial strains to degrade the solid waste that accumulates in grease traps, drain lines and sewage plants. ALIVE PLUS is an excellent odor counteractant that can be sprayed on fabrics, carpets or hard surfaces to eliminate the bacteria that cause odor. The product eliminates odors caused from pet waste, urine, bodily fluids and more. It contains four strains of the bacillus bacteria. They are Bacillus laevolacticus, Bacillus licheniformis, Bacillus amyloliquefaciens and Bacillus pasteuril.

ANTI-SEIZE #1731

Copper Anti-Seize Lubricant

Prevents galling, seizing, pitting, fretting, corrosion and distortion of threaded, keyed, splined and press fitted assemblies. Protects at sustained temperatures of up to 2100°F. Highly resistant to moisture, weather, chemical fumes, salt spray and steam. Allows tighter, more vibration-proof seals using less torque while making disassembly easier. USE ON: Industrial machinery, construction, farm, mining and earth moving equipment, marine hardware, vehicle fleets and assembly lines. Completely non-corrosive and inert to rubber. Effective on a broad group of metals with metal-to-metal and metal-to-rubber contact.

ASSAULT #2620

Heavy-Duty, Biodegradable, Water-Based Degreaser

ASSAULT is a fast-acting cleaner and degreaser that immediately removes stubborn, oily and greasy soils from a wide range of washable surfaces. It is an all-purpose cleaner/degreaser that rapidly penetrates and dissolves dirt, oil, grease, carbon, rubber marks, wax, soot and many other resilient soils. Free of fumes and has a natural sassafras aroma that makes it pleasant to use. Contains special rust inhibitors, making it safe for use on metal surfaces. Will not leave an oily film. Available as a concentrated liquid or as a ready-to-use solution in quart bottles.

Suggested Products For Rental Companies

BEAD-O-MATIC #1280 **Hi-Temp Red RTV Silicone Gasket Maker**

BEAD-O-MATIC is a red RTV (room temperature vulcanizing) sealant adhesive that will create a perfect even bead every time. Because it is made from 100% RTV silicone, it will make a strong and flexible gasket that is extremely resistant to both shrinking and cracking caused by heat cycling. It will not sag or shrink and is impervious to temperature extremes. Not recommended for use involving continuous immersion in gasoline or head gasketing applications. Paint will not adhere to cured material. Ideal for caulking windows, doors, ceiling crevices, as well as bonding nameplates, glass signs and machinery hinges.

BIG BLAST #1515 **Aerosol Wasp and Hornet Killer**

BIG BLAST assures quick, effective control of wasps, hornets, spiders, scorpions and yellow jackets. Its residual kill action prevents insects from reinhabiting nests. It produces a lethal blast of up to 20 feet, thereby minimizing any chance of an accidental sting.

BOLT BLASTER #1756 **Super Powerful Aerosol Penetrating Catalyst & Lubricant**

BOLT BLASTER is a super powerful penetrating catalyst that frees rusted and corroded parts and stops squeaks fast. It features a capillary wet-drilling action which creeps and pulls itself up, around, and into cracks, crevices and threads. It reduces friction and wear over a broad temperature range. BOLT BLASTER leaves an ongoing lubricating film to protect against future rust and corrosion. Powerful jet spray helps provide rapid penetration of rust and corrosion. Safe on most plastics, rubber, and painted surfaces.

BRAKE AWAY #1292 **Aerosol Non-Chlorinated Brake Parts Cleaner**

BRAKE AWAY's highly active solvent blend provides maximum performance in a brake parts cleaner without the use of ozone depleters or chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oil, dirt and contaminants from linings, pads and drums. BRAKE AWAY evaporates quickly and leaves no residue. Can be used on any type of brake, assembled or unassembled. Also suitable for cleaning equipment, tools and parts and meets or exceeds current OTC and LADCO VOC requirements.

BUZZ KILL #1545 **Aerosol Instant Kill Wasp & Hornet Spray**

BUZZ KILL contains more active ingredients than other leading wasp and hornet sprays. This revolutionary new product has a more powerful spray, and with its higher concentrations of tetramethrin, permethrin and piperonyl butoxide, nothing kills faster. Its high dielectric strength of 49,500 volts allows it to be sprayed virtually anywhere. For best results, spray in the early morning or late evening when insect activity is minimal.

CITRA-SOLV #2424 **100% Organic Degreaser, Deodorizer and Drain Solvent**

Made from the highest quality orange solvents, CITRA-SOLV is a truly remarkable 100% organic formulation, which represents an exclusive approach in one-step degreasing and deodorizing. The natural, orange solvent in this product provides a multitude of added applications such as odor control, unclogging drains and the removal of tar and asphalt from most hard surfaces. It is a noncorrosive, multipurpose formula that effectively strips grease and heavy oil deposits from practically any surface. CITRA-SOLV is intended for use as a compound in drain lines and/or sewage systems in areas of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs where there is no possibility of food contact in food processing and food handling establishments.

Suggested Products For Rental Companies

CON EX PLUS #2442

Nonfuming Concrete Remover

CON EX PLUS is a nonfuming concrete remover and ready-mix truck wash. It is designed to remove hardened concrete from ready-mix trucks, scaffolding, forms and other areas where concrete tends to accumulate and harden. Contains corrosion inhibitors to protect ferrous metal from damage. Will not harm painted surfaces.

DURA BOND #1475

Hand Mixable Epoxy Putty

DURA BOND is a hand-mixable epoxy adhesive/sealant that cures in minutes to permanently repair almost anything made of metal, concrete, wood, ceramic, glass and many plastics. It consists of two parts, a base and a contrasting colored curing agent. Once the base and curing agent are thoroughly blended, the putty-like mixture will appear uniform in color and will harden like steel after 20 minutes. After just one hour, it is completely cured and can be sanded, filed, painted and even drilled and tapped as though it were metal. Exhibits resistance to abrasion and a variety of chemicals, excellent adhesion to wet and dry surfaces and good electrical insulating properties. Contains no solvents, is nontoxic, and is easily readied for application without any mess. Unlike liquid epoxies, it will not drip, sag or shrink. DURA BOND can be used to patch holes and cracks.

Not recommended for use on polyethylene or polypropylene.

EASY PATCH #3479

Versatile, Durable Repair Patch

EASY PATCH is a versatile, easy-to-use, durable repair material with hundreds of uses. This specially formulated patch is reinforced with fiberglass and is activated by ultraviolet light (both natural sunlight and UV lamp). Simply peel off the film to expose the sticky resin, apply it to the prepared surface needing repair and expose to sunlight. It cures in about 10 minutes to a rock-hard, durable, corrosion-resistant surface that can be drilled, sanded or painted, making this a quick and easy solution for all your repair problems. It has been tested by an independent laboratory and is appropriate for use in areas with food contact.

ENVIRO SORB PRODUCTS (Multiple)

Spill Control Products

ENVIRO SORB pads, rolls, and booms are designed with non-shredding, layered, and recycled materials making them ideal for a wide variety of applications. Other applications include traffic areas and conditions where aggressive or non-aggressive fluids are present. Check out the Pro Chem Sorbent Guide for more detailed information on the ENVIRO SORB line of products.

E-ZEE #1757

Antiseize Compound with No Mess Pressure Applicator

E-ZEE is designed as a preventative maintenance tool for protection of threaded fittings. This anti-seize contains a synthetic grease that is highly water resistant and non-melting. In addition, it has a unique base polymer which depolymerizes and dissipates at temperatures above 400°F without leaving a caked on carbon residue, which is ideal in high temperature and frequent applications. It is free of copper, so it can be safely used on stainless steel and other sensitive alloys. When applied as directed, this product "plates" metal surfaces with a film of aluminum and graphite, protecting them up to 2,000°F. A unique blend of metallic solids, dry-film lubricants and anti-galling agents provides a superior product that will not melt or run out after application.

FRESH AIR IN A BUCKET #3333

Air Freshening Beads

FRESH AIR IN A BUCKET adds a new dimension to air freshening. Using the latest technology, fragrances are tucked neatly into a unique airflow bag, providing focused fragrance that is easy to use and cleanup. Can be used in vacuum cleaner bags, pet care areas, garbage areas, air vents and filters, automobiles and restrooms. The possibilities are endless. Bead bags are recyclable when put in with plastic recyclables. Packed in 24 one-ounce bags per bucket.

Suggested Products For Rental Companies

FUEL PLUS X-100 #2929

Gasoline and Off-Road Diesel Fuel Conditioner Concentrate

FUEL PLUS X-100 is blended to neutralize harmful fuel acids, as well as eliminate the damage caused by sulfur, gum and varnish that is in all fuels. It is oxygen sensor safe. The antiwear, additives and penetrants are stable solutions that offer outstanding performance and are safe to use in engines that use all types of fuel, including engines equipped with catalytic converters. Recommended for use in off-road diesel, gasoline (leaded and unleaded), L.P.G. and kerosene fuel vehicles. This product can also be used to free frozen nuts and bolts or as a penetrating oil that will stay on the surface and prevent corrosion and oxidation on fishing tackle, farm implements, fertilizer equipment, weapons and other similar applications.

ICE ERASER #1261

Aerosol Spray Deicer

ICE ERASER quickly melts frost, ice and snow. Its high-volume spray quickly removes these from windshields, vehicle windows and headlights. It unfreezes locks and windshield wipers.

KNOCK OUT #1203

Aerosol Heavy-Duty Foaming Machinery Degreaser

This heavy duty machinery degreaser is the perfect foam cleaner for the cleaning of dirty, greasy, oily machinery, road equipment, air conditioning coils, exhaust vents, tools, concrete, parts and much more. KNOCK OUT sprays out as an engulfing, heavy-duty foam that clings to surfaces to provide extended degreasing contact time. Contains super-powerful, water-soluble, grease-dissolving agents and detergents for instant degreasing action. The self-indicating cleaning action foam quickly breaks down grease and grime and becomes discolored; indicating contents are ready to be flushed clean. Leaves a pleasant, clean citrus fragrance.

LIME FORCE #2177

System 2000 Premium Pumice Lotion Hand and Body Cleaner

LIME FORCE is a citrus-based, all-natural hand cleaner that does not contain any skin drying petroleum solvents. It dissolves the toughest soils, including grease, pipe dope, cutting oil, undercoating, inks, and more. In addition to containing skin conditioning aloe vera, almond oil, and soy oil, it is also fortified with glycerin, jojoba, wheat germ, and vitamins A, C and E. In addition to the 4000 mL System 2000 container size, it is also available in a convenient 15 ounce bottle.

MECHANIC'S HELPER #1286

Low Volatile Black RTV Silicone Automotive Gasket Maker

MECHANIC'S HELPER is a premium grade, low volatile silicone gasket making material that is made from 100% RTV (room temperature vulcanizing) silicone for safe use on all oxygen sensor equipped vehicles. It replaces a wide range of cork, paper, asbestos, felt and metal gaskets. It can be used on metal, glass, ceramics, wood, rubber and most plastics. This product has excellent adhesion characteristics and high chemical resistance, and will not sag or shrink. It is impervious to temperature extremes.

OXALL PLUS #2618

Highly Concentrated Lime and Scale Remover

OXALL PLUS is great for use in removing mortar stains and film from bricks, masonry and stonework. The aggressive formula quickly penetrates and dissolves lime deposits, scale, and rust from treated surfaces. Its special inhibitor provides "cling" power and slows down the drying process to prevent streaking. It is also an effective product to use to clean concrete handling equipment and water meters.

Suggested Products For Rental Companies

SLEDGE HAMMER #2967

Non-fuming Concrete Dissolver

SLEDGE HAMMER is a “mineral acid” alternative specifically formulated to dissolve built up concrete on tools and equipment used in the ready-mix concrete industry. It attacks the Portland in concrete, completely dissolving the hardened concrete to a mushy substance that can be rinsed off with a high pressure washer using cold water. This highly concentrated formulation is compounded to maintain sufficient acidity to dissolve harder concrete without the use of mineral acids including sulfuric, muriatic, hydrochloric or phosphoric acids. It removes cured cement, concrete, mortar, grout and stucco off any surface. (Painted surfaces should be fully cured.)

PRO STRIP #1606

Aerosol Paint & Varnish Remover

PRO STRIP is a powerful clinging gel that quickly blisters lacquers, enamels, shellacs and acrylics without attacking substrates such as wood, metal, masonry, stone or ceramics. The blistered paint can then be easily scraped off or flushed away with water. It also allows for easier gasket removal. Just spray on and let stand for 3-5 minutes for the product to soak into the gasket, allowing the active ingredients to work and release it from its seated surface.

QUICK FIX #2965

Two-Part Quick Cure Epoxy

QUICK FIX is a fast-setting adhesive for bonding and repairing small parts. It will cure in temperatures as low as 41°F (5°C). This product will produce a strong, rigid bond on a variety of surfaces.

SAFETY FIRST #3473

Antislip Safety Absorbent

SAFETY FIRST begins absorbing liquid spills immediately upon contact. The high absorbency of this material means treated surfaces will stay drier longer. Regular use will not cause drains or sewers to clog. This natural earth product will not pollute lagoons, streams or lakes. Non-biodegradable, inert mineral in particulate form. Certified free of respirable silica. Exceeds EPA landfill disposal rules. Passes point filter and TCLP test. Absorbs up to 150% of its weight.

SET QUICK #2129

Low Temperature Epoxy binder

SET QUICK is two-component, moisture-tolerant, 100% solids, high-modulus epoxy gel adhesive that meets ASTM C-881 and AASHTO M-235. It is ideal for anchoring bolts, dowels and reinforcing steel in concrete. It is also ideal for vertical and horizontal structural bonding and patching. It may also be used to seal cracks and set injection ports prior to injection grouting.

SLICK #1482

Aerosol All-Season Wax

SLICK is a special blend of silicone and wax that provides a slick, nonstick coating for all types of outdoor equipment. In the springtime, spray on blades and under decks of cutters and mowers to keep grass from sticking to blades and undercarriage. Regular use helps blades and cutting edges remain sharp longer. In the winter, spray on snow removal equipment to keep snow and ice from building up on blades, moldboards and wings. Treated surfaces become water and rust resistant. The coating provides superior release action and lubrication to reduce drag and sticking of many materials to metal and other surfaces. Also excellent for use on road signs to keep snow or ice from sticking and to ensure easy readability.

SLITHER #1727

Aerosol Penetrant Lubricant

SLITHER is reliable penetrating oil that will produce professional results every time. The nanotechnology used in the production of this product allows the product to creep into the tiniest spaces to loosen rusted and frozen parts. It can dissolve rust, lubricate, clean and prevent further rust buildup. It is also great at displacing moisture and can be used as cutting oil.

Suggested Products For Rental Companies

SOLAR SHIELD #1267

Aerosol Surface Protector and Restorer

SOLAR SHIELD is a concentrated blend of poly and silicone ingredients that provides a tough, protective film and protects various surfaces. This product is simple to use. Spray on and buff or let dry to a like-new shine. It leaves a waterproof coating after one application and contains special additives to inhibit cracking, fading and hardening. It protects surfaces from the harmful rays of the sun by keeping surfaces moisturized.

SPARKLE PLUS #1198

Heavy-Duty Aerosol Glass Cleaner

SPARKLE PLUS quickly cuts through grease, dirt and grime to leave windows and other surfaces squeaky clean. It cleans thoroughly, dries quickly, requires no rinsing and leaves a pleasant, fresh aroma.

SQUEAKY SHINE #1239

Aerosol Hard Surface Cleaner, Duster & Polish

SQUEAKY SHINE is a unique dust-blocking, no wax formula for use directly on surfaces as well as on cloths and mitts. It cleans, dusts, polishes and shines in one simple step. Eliminates dust fly-aways and leaves a lasting shine. Leaves no silicone or waxy buildup. Reduces dust accumulation and preserves the beauty of the surface.

SURE GRIP #1116

Aerosol Antiskid Epoxy Coating

SURE GRIP is a unique aerosol that contains a specialized synthetic grit with no sharp edges. This unique formulation is a super hard, texturized one-part epoxy coating that cures very quickly and lasts for months. It has a slip resistant, rough grit surface that reduces the occurrence of slip and fall accidents, helping customers to meet OSHA requirements for safe flooring. Our new convenient aerosol makes applying an antiskid epoxy coating easier and faster than ever.

SWIPES #2236

Multipurpose Hand Cleaner Towels

SWIPES hand cleaner is a superior value hand cleaner/towel combination. This combination allows you to cleanup right on the jobsite without water and eliminates the need for paper towels or shop rags. The formula cuts through soils such as grease, paints, tar, oils, lubricants, inks and more. Each towel is fortified not only with heavy-duty cleaners, but also the skin conditioning agents glycerin, jojoba, vitamin E & C, aloe vera and wheat germ extract. SWIPES are also recommended for use in cleaning shop tools. Each self-dispensing canister contains 90 perforated, easy tear towels made of textured polypropylene material that stay moist for hours, allowing multiple uses.

T.B. QUAT #2353

Disinfectant - Cleaner - Deodorant - Mildewstat - Virucide - Fungicide - Tuberculocidal All In One

This product is designed specifically as a general, nonacid cleaner and disinfectant for use in homes, hospitals, nursing homes, patient rooms, operating rooms, ICU areas, schools, food service establishments, transportation terminals, office buildings, manufacturing facilities, lodging establishments, retail businesses and athlete/recreational facilities where housekeeping is of prime importance in controlling the hazard of cross contamination. It is formulated to disinfect hard, nonporous, inanimate environmental surfaces: floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets. For plastic and painted surfaces, spot test on an inconspicuous area before use. May be used in the kitchen on counters, sinks, appliances and stove tops. A rinse with potable water is required for surfaces in direct contact with food. In addition, this product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, restrooms and other areas which are prone to odors caused by microorganisms.

Suggested Products For Rental Companies

TIRE BRITE #1287

Aerosol High Shine Tire Care and Surface Protector

TIRE BRITE is specially formulated to give that deep, glossy finish that will keep looking great for weeks, even through multiple washes. Keeps new tires looking their best and restores older tires to look like new with a deep luster. No wiping, no buffing, no mess. Just spray and drive away. TIRE BRITE keeps tires looking blacker longer while preventing browning, cracking and premature aging.

TOTALLY DRY #1336, #1375, #1376, #1377

Aerosol Room Deodorant

TOTALLY DRY is a completely dry spray with a dual odor counteractant system. It quickly eliminates foul odors and leaves a light, pleasant fragrance that freshens the air. It effectively neutralizes smoke, organic decay and more. This ultra-fine particulate spray spreads evenly, treating large areas in seconds without fallout or staining.

TRUE GRIT #2160

Waterless Hand Cleaner with Volcanic Pumice

A small amount of TRUE GRIT will remove grease, dirt, paint, ink and many other soils. This product contains skin conditioners that protect hands from drying, cracking and chapping. A combination of high quality skin cleansers and mild abrasive pumice helps loosen and lift embedded soils. Available in 3 lb self-dispensing cans and convenient 16 oz tubes.

WEED OUT #2805

Non-Selective, Ready-to-Use Herbicide

WEED OUT is a ready-to-use, solvent-based, non-selective weed killer. It contains two active ingredients that provide double the killing power. Bromacil controls weeds through root contact and gives season-long residual control. 2,4-D controls weeds through foliage and gives immediate weed burn-down. This product is particularly effective in areas where undesirable vegetation is tall and well established. WEED OUT is designed to be applied undiluted as a spray on non-cropland areas where bare ground is desired.

WORK HORSE #1781

Non-melt Grease Spray

WORK HORSE is a multipurpose, bentone-based, heavy-duty penetrant lubricant that soaks into hard-to-reach areas for tough, long lasting grease protection. Product sprays out as thick liquid, which transforms into a heavy-duty, non-melting grease. Cured lubricant withstands heat to 550°F, moisture, acids and high pressure. A high-pressure additive reduces wear and prolongs operational life of all machinery. Prevents seizing of threads and loosens frozen parts.

XL 866 #1719

Aerosol Chain and Cable Lube

XL 866 is a mixture of penetrants, anti-oxidants, oils and greases for use on chains, cables and wire ropes. Fortified with both molybdenum disulfide and PTFE, the formula provides superior lubricity, protection, longevity and temperature resistance. Penetrates deep inside the core of wire rope to provide superior lubrication at the point of greatest stress. Using this product prevents metal-to-metal contact and reduces friction, heat, stress and wear during operation. May be used under widely varying climatic conditions and will not break down under heat, stress and prolonged use.

X-TRON #2219

Concentrated, Heavy-Duty Cleaner/Degreaser

X-TRON is a highly-concentrated, biodegradable, water-based, butyl cleaner/degreaser with a refined surfactant system that not only penetrates and lifts the grease and dirt from the surface but emulsifies them as well. The multipurpose, heavy-duty cleaning action leaves surfaces clean and free of residue. It is also ideal for use on automatic scrubbers because of its low foaming ability. It can be used to clean any surface not harmed by water.
