

PRO TOOLS MP PENETRANT LUBRICANT #1496

Aerosol Multi-Purpose Penetrant, Lubricant & Demoisturant

Features:

- Non-flammable
- Four way protection
- Excellent rust buster
- 30,000 volt dielectric
- Conforms to Military Specification Mil-C-23411 for corrosion prevention
- Non-conductive
- Silicone free

Description:

PRO TOOLS MP PENETRANT LUBRICANT is an advanced technology, multi-purpose penetrant, lubricant and demoisturant. It is formulated with a combination of special water displacement compounds, corrosion inhibitors, solvents and non-greasy lubricants. It is used to displace water and moisture from electrical equipment.

Applications:

- Electric Motors & Contacts
- Generators
- Pulleys
- Start Wet Engines
- Engine Distributors
- Windings
- Bearings
- Shafts
- Gears
- Production Machinery
- Freeing Nuts & Bolts
- Vending Machines
- Parking Meters
- Refrigeration Equipment
- Stop Corrosion on Battery Terminals
- Electrical Panel Board

For Use By:

- Bus Garages
- Fleet Operations
- Industrial Plants
- Oil Fields
- Colleges/Universities
- Food Processing Plants
- Marine Repair
- Warehouses
- Factories
- Freight Carriers
- Military Facilities
- Packaging Plants

Product Characteristics:

Appearance:	Clear, yellow aerosol spray
Odor:	Chlorinated solvent odor
Boiling Point:	>188°F (87°C)
VOC:	0%
Relative Density (H2O=1):	1.40 – 1.55 @ 77°F (25°C)
Solubility (water):	0%
Evaporation Rate:	Medium
Cold Stability:	0°F
Flammability:	Not considered a flammable aerosol or an extremely flammable aerosol by OSHA (29CFR 1910.1200)
Storage:	Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Store in a well ventilated place. Do not expose to temperatures exceeding 50°C/122°F.
Transport Information:	
UN Number:	UN1950
Proper Shipping Name:	Aerosols, Ltd. Qty
Class/Division:	2.2 (6.1)
Packing Group:	Not applicable

Directions:

Spray liberally directly on area to be treated. Reapply periodically as required.

DOT Placard:

VOC Compliant:

Yes.
*Not for sale in California.

Pictograms:

Signal Word:

DANGER.

Personal Protective Equipment Required:
