

HI-BEAM #2697

Headlight Cleaner and Restorer

Features:

- Cleans, protects and restores headlights
- Safely removes hazing, discoloration and stains
- Brightens light for improved clarity and visibility
- Improves visibility with clearer headlight lenses
- Can be used on plastic and glass

Description:

HI-BEAM is a new non-abrasive plastic cleaner and protectant that removes the buildup of soil, grime, stains and yellowing quickly and easily from all headlight lenses. HI-BEAM also protects headlight lenses with a protective “barrier” coating against re-soiling, yellowing and adhesion and buildup of frost, snow, ice, salt, mud, bugs and grime for easy removal. HI-BEAM improves lens clarity and driving visibility and safety for up to 1 year. This storage-stable, solvent-free product is non-toxic to users and is earth safe.

Applications:

- Glass
- Plastic

Product Characteristics:

Physical State:	Cream
Color:	White to off-white
Odor:	Mint
Boiling Point:	Not available
Vapor Pressure:	Not applicable
Water Solubility:	Soluble
Relative Density:	1.024
Flash Point:	Non-flammable
Abrasives:	Non-scratching
pH:	4
Viscosity:	Cream
Freeze/Thaw Stability:	Good
Storage Stability:	Minimum 2 years
Storage:	Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Store locked up. Keep container tightly closed and sealed until ready for use.
Transport Information:	
UN Number:	Not regulated
Proper Shipping Name:	Not regulated
