## SEASONAL FRAGRANCES

**REFRESH #2336** is a concentrated formula that neutralizes and eliminates all airborne odors. A single spray converts the foulest malodors into a pleasant aroma by encapsulating odor molecules and chemically neutralizing them. It penetrates areas and provides a large, neutralized zone. As a space spray, spray either into air or directly at surface source of odors. As an evaporative deodorizer, product may be put into vaporizers or humidifiers.
