

STICK IT

AEROSOL HEAVY-DUTY ADHESIVE SPRAY

STICK IT #1958

Aerosol Heavy-Duty Adhesive Spray

STICK IT is the highest performance wide web spray adhesive. It is excellent for both temporary and permanent bonding. Spraying one side will create a temporary bond whereas the treating of both surfaces will create a permanent bond. This product is very effective on multiple surfaces, including uneven and porous surfaces. STICK IT remains flexible and transparent once it dries.

- VOC compliant
- Contains no chlorinated solvents or ozone-depleting ingredients
- Fast tack and quick adhesion for temporary or permanent bonds
- Transparent and flexible
- Temperature range-60°F to 450°F
- Complies with 21 CFR 175.105
