AMPED-UP

#1582

Aerosol Battery Terminal Cleaner

- Quickly cleans away dirt and grease—prolongs battery life
- Cleans and neutralizes acid
- Contains red color indicator to detect leaks
- Eliminates corrosion build-up
- Easy to use. Simply spray on and wipe off. Severe corrosion may require light brushing

Ideal for: Car Batteries, Cables, Batteries, Trucks, Forklifts, Golf Carts, Lawn Mowers, Boats, Electrical Connectors, Construction Equipment, Marine Equipment, Agricultural Equipment

AMPED-UP is designed to clean and neutralize acid on terminals and cables of batteries. A color indicator is included to assist in detecting leaks. Battery terminal cleaner eliminates corrosion buildup and provides a residual corrosion preventive.

Appearance	Orange Foam
Odor	Slight Ammonia Odor

FOAM N SHINE

#1698

Tire and Vinyl Shine

- Can be used on vinyl and synthetic surfaces
- Non-Chlorinated
- Renews and protects
- Prevents oxidation
- No harsh solvents

Ideal for: Car shops, Bus Garages, Fleet Operations, Mechanic Shops, Freight Carriers, Municipalities

FOAM N SHINE self-clinging foam shines and renews vinyl and rubber on vehicles. Product cures to a glossy protective shine in minutes, with no buffing. Leaves an extra long lasting protective shine that repels dirt, salt and grime. Product works best if original surface is cleaned first. Protects against discoloration, oxidation and ozone deterioration. Buffing may help cleaning action

Appearance	Liquid
Odor	N/A

HI-BEAM

#2697

Headlight Cleaner and Restorer

- Cleans, protect glass, and restores plastic headlights
- Safely removes hazing, discoloration and stains
- Brightens light for improved clarity and visibility
- Improves visibility with clearer headlight lenses

Ideal for: Glass, Plastic

HI-BEAM is a new non-abrasive plastic cleaner and protectant that removes the buildup of soil, grime, stains and yellowing quickly and easily from all headlight lenses. HI-BEAM also protects headlight lenses with a protective “barrier” coating against re-soiling, yellowing and adhesion and buildup of frost, snow, ice, salt, mud, bugs and grime for easy removal. HI-BEAM improves lens clarity and driving visibility and safety for up to 1 year. This storage-stable, solvent-free product is non-toxic to users and is earth safe.

Appearance	White to off-white
Odor	Mint

SHINE N GLOW

#1265

Auto Polish

- Fast and easy – spray on and wipe off
- Economical – one can polish up to three automobiles or one bus
- No streaking or smearing
- All weather and high-luster
- Protects with carnauba wax and PTFE

Ideal for: Trucks, Buses, Elevator Doors, Motor Homes, Boats, Jet Skies, Snowmobiles, Motorcycles, Automobiles, Stainless Steel Refrigerator Doors

SHINE N GLOW is a unique aerosol polish for automobile, truck and marine finishes. This polish produces a deep, lustrous shine that will not harm the finest automobile finish. Protects with carnauba wax and PTFE. Makes waxing fast and easy, simply spray on, allow product to haze, and buff to a high-gloss durable finish.

Appearance	Milky White Spray
Odor	Banana Fragrance

DRAIN MAINTENANCE

BUSTER

#2552

Sulfuric Acid Drain Opener

- Concentrated 93% inhibited virgin sulfuric acid liquid drain opener
- Quickly dissolves hair, paper, food, rags, grease and other organic matter
- Contains inhibitors
- Safe for septic and cesspool systems when used as directed

Ideal for: Drains

Concentrated 93% inhibited virgin sulfuric acid liquid drain opener. Quickly dissolves the toughest organic clogs, including paper, rags, hair, sanitary products, and food. The heat generated in the dissolving of blockages acts to melt away grease, soap, and oils. For use in sinks, toilets, tubs and showers. Use only in PVC pipes. Safe for use in drains connected to septic systems when used in quantities as directed on the label.

Appearance	Red Liquid
Odor	Acidic

COMMERCIAL CLEANING

HI-SHINE

#1896

Food Grade, Oil Based, Stainless Steel Cleaner

- Forms protective coating
- Preserves high luster
- Non-abrasive
- Brightens and polishes
- Cleans fingerprints, grease, smudges and stains on stainless steel and metal surfaces
- Pleasant lemon fragrance

Ideal for: Hospitals, Schools, Restaurants, Offices, Hotels/Motels, Factories, Colleges/Universities, Lockers, Restrooms

HI-SHINE is an excellent food grade cleaner formulated for hospitals, schools, offices, hotels, restaurants, lockers, restrooms, factories and institutional use. It cleans, brightens, polishes and protects stainless steel. Can be equally effective for use on chrome, aluminum and brass. A minimum of effort is required to remove smudges, soil and stains quickly – no hard rubbing needed. It actually forms a shield that resists water marks and rusting.

Appearance	Clear Aerosol
Odor	Lemon Fragrance

ULTRA ORANGE

#124411

Foaming Citrus Cleaner & Degreaser

- Multi-purpose clinging foam
- Cleans, shines and polishes
- Can be used on irregular surfaces as well as vertical and horizontal surfaces
- Ready to use – simply spray and wipe off
- Powerful cleaning agent quickly cuts through grease and heavy soil to allow them to be easily wiped away

Ideal for: Airplanes, Air Filters, Machinery, Porcelain, Brick, Kitchen Areas, Plastics, Glass, Lavatory Basins, Lighting Fixtures, Pipes, Wood, Refrigerators, Cabinets, Steel Files, Tile

ULTRA ORANGE is an all-purpose foaming citrus scented cleaner and degreaser. Its combination of emulsifiers, surfactants and d-limonene works to clean stubborn grease and soil. This product is especially designed to remove built up grease and soil unaffected by other cleaners. Its clinging foam permits long lasting contact with irregular as well as with horizontal surfaces. This formulation has been authorized for use in federally inspected meat and poultry plants by the USDA.

Appearance	White Foam
Odor	Citrus-Orange Fragrance

INDUSTRIAL SPECIALTIES

ALL-COAT

#1482

All Season Surface Repellent

- Helps blades stay sharp longer
- Prevents build-up and ice formation
- Keeps snow and ice from sticking
- Safe on plastics, fiberglass, metal and painted surfaces
- Creates a barrier making equipment last longer
- Keeps grass clipping from sticking to mowers
- Reduces horsepower requirements, fuel consumption and corrosion

Ideal for: Snow Removal Equipment, Lawn Maintenance Equipment, Snowmobiles and Ski Equipment, Plows, Lawn Mowers, Snowblowers, Snow Shovels, Weed Eaters, Rototillers and Hedge Trimmers

Specially formulated wax to keep snow, slush and ice from sticking to snow removal equipment, plows, snowmobiles, snowblowers, ski equipment, snow shovels and more. Can also be used on the underside of lawn mowers, weed eaters, hedge trimmers, rototillers and other lawn maintenance equipment to prevent grass clipping and dirt build-up, clogging and wear-and-tear. Helps blades stay sharper longer, making equipment last longer. Creates a barrier to protect metal, fiberglass, plastic and painted surfaces from build-up and damage.

Appearance	Colorless Spray
Odor	Solvent Odor

INDUSTRIAL SPECIALTIES

BLAST FORCE

#1638

Contact and Circuit Board Cleaner

- Dries quickly
- Residue free
- Safe on plastics
- Dielectric to 25,000 volts
- Ozone safe
- Non-conductive

Ideal for: Circuit Boards, Computers, Magnetic Tapes, Electronic Motors, Printed Circuits, Gauges, Switches and Relays, Electronic Parts, Metal Surfaces, Television, TV Tuners, Refrigeration Units

BLAST FORCE is a highly effective blend of solvents that are fast drying, non-conductive and safe to use on plastics, rubber and metal. Does not contain CFC's or HCFC's and is ozone safe. Use to remove dirt, grease, oil and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays.

Appearance	Clear White Liquid
Odor	Mild Solvent Odor

DRI MOLY

#1703

Dry Film Lubricant

- Inhibits rust, fast drying, waterproof
- Methylene and Chloride Free
- Resists water wash-out, oil, alkalis and most acids
- Temperature range -40°F to 662°F
- Adheres to metal, glass, rubber and most plastics
- Non-conductive, non-corrosive and non-chlorinated
- Resists pressure up to 250,000 psi
- Resists dust and abrasive particles

Ideal for: Foundries, Vehicle Maintenance, Chemical/Industrial Plants, Machine Shops, Sewing Trades, Oil Fields, Automotive Manufacturers, Paper and Corrugated Converting, Mining Operations, Shipyards, Oil Fields, Steel Mills

DRI MOLY is a methylene chloride free dry film lubricant offering superior, long-lasting performance. Molybdenum and graphite anti-seize dry coating resists dust and abrasive particles. Withstands water, oil, alkalis and most acids. Forms a strong bond to metal—will not wipe off easily. May be used at higher temperatures and will not carbonize. Will not run off part to which applied, requires less frequent lubrication. May be used as a release agent.

Appearance	Black Liquid
Odor	Solvent Odor

HI ROAD

#2551

Road Hardener and Packing Agent

- Controls erosion and dust
- Silicate-based
- Hardens roads and packs down dirt
- Non-flammable
- Non-acid formula
- Dilutes 1:1000
- Available in 5 gallon pails and 55 gallon drums

Ideal for: Parking Areas, Work Areas, Bus Routes, Equipment Yards, Construction Sites, Unpaved Areas, New or Renovated Roads, Trails and Pathways, Campsite Access Roads

HI-ROAD is a road hardener and stabilizer that helps control erosion and dust in parking areas, equipment yards and other unpaved areas. Helps to eliminate potholes and keep work areas dust free. Silicate based formula ensures stability of roads. Road stabilization is crucial for the health and safety of rural communities. When roads are properly prepared and the right products are used to ensure the stability, one can breathe easier knowing that travel on roads will also be healthier for those around it as less dust will be produced from traffic.

Appearance	Clear to Opaque Liquid
Odor	Odorless

RUST-AID

#163011

Aerosol Rust Converter & Primer

- Any iron or steel surface restored to a "like new" appearance
- For car, trucks, trailers, railings, furniture and tools
- Prevents rust from reappearing
- Resists moisture

Ideal for: Parking Areas, Work Areas, Bus Routes, Equipment Yards, Construction Sites, Unpaved Areas, New or Renovated Roads, Trails and Pathways, Campsite Access Roads

RUST-AID can be applied to any iron or steel surface to penetrate rust and turn it into a protective black coating. This protective coating will be resistant to moisture and prevents future rust growth. Just remove any loose rust, then apply it like a primer to rusted surfaces. Greatly reduces time spent wire brushing and sanding. A topcoat is required for maximum rust protection.

Appearance	Aerosol
Odor	Aromatic

INSECTICIDES

BULLS EYE #1547

Roach and Ant Spray

- Effective up to 7 weeks against: ants, cockroaches, fleas, ticks and other listed insects
- Solvent-based
- Contains ETOC for the fastest knockdown
- 18,000 Volt Dielectric Strength
- Pleasant vanilla fragrance
- EPA registered

Ideal for: Warehouses, Kennels, Theatres, Commercial Building, Office Building, Colleges/Universities, Schools, Restaurants, Hotels/Motels, Food Processing Facilities, Industrial and Institutional Facilities, Garbage Cans and Dumpsters

BULLS EYE is an EPA registered residual crack and crevice spray. This solvent-based insecticide is formulated with ETOC for the fastest knockdown possible. It kills a broad spectrum of insects on contact. Also contains esfenvalerate for residual treatment up to 7 weeks. Provides total control of listed crawling insects. Pleasant vanilla fragrance.

Appearance	Clear, Colorless Spray
Odor	Vanilla

LUBRICANTS

DRY RELEASE #1583

Aerosol Dry Lubricant & Release Agent

- No Hexane
- Contains PTFE
- Colorless, Non-Staining, Low Odor
- Oil-Free
- Wide temperature range -100°F to 500°F

Ideal for: Hinges, Chutes, Axles, Chains, Paper, Bins, Machinery, Pulleys, Munitions, Elastomers, Conveyor Belts, Industrial Benders, Springs, Gears, Glass, Machine Parts, Leather, Spray Booths, Metal Extrusions, Pulleys Bushings

DRY RELEASE is a no mess, non-staining dry lubricant. The low odor, colorless formula is non-oily but slicker than silicone and graphite. Excellent anti-stick properties for an effective release on die casts and injection molds. Contains an extremely fine polytetrafluoroethylene powder, creating a lubricant film effective over a wide temperature range (-100°F to 500°F).

Appearance	White Hazy Spray
Odor	Petroleum Odor

SLITHER - BULK #2727

Creeping, Penetrating Oil & Lubricant

- Loosens frozen metal parts
- Harmless to metal
- Prevents rust
- Professional results every time
- Removes rust and gummed oil

Ideal for: Nuts, Scews, Bearings, Valve Guards, Bolts, Pulleys, Guns, Studs, Shafts, Pipe Threads, Any corroded metal parts

SLITHER is a reliable penetrating oil that will produce professional results every time. The nanotechnology used in the production of this product allows the product to creep into the tiniest spaces to loosen rusted and frozen parts. It can dissolve rust, lubricate, clean and prevent further rust buildup. It is also great at displacing moisture and can be used as a cutting oil.

SOLVENTS & DEGREASERS

MEGA BLAST II #1605

Solvent Degreaser

- Non-flammable
- Leaves no residue
- Dries quickly
- Non-chlorinated
- Non-conductive
- High solvent power
- Safe on most plastics used in contact and circuit board construction

Ideal for: Auto Repair Shops, Machine Shops, Factories, Printers, Aircraft Services, HVAC Services, Electrical Maintenance Services, Offices

MEGA BLAST II provides industry an alternative to products containing chlorinated solvents. Dries quickly, leaving no residue. The low-odor, non-flammable, non-conductive formula cleans and degreases electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, most metals including steel, nickel, zinc, titanium, galvanized steel, copper, magnesium, brass and tin plate. Also safe for use on some plastics, including those used in contact and circuit board construction. May affect certain types of plastics, such as PVC, ABS, acrylic styrenes and polycarbonates.

Appearance	Clear to Yellow Liquid
Odor	Strong Solvent Odor
