

CHAIN & CABLE LUBE is a light colored heavy duty synthetic lubricant in a carrier solvent that penetrates and leaves a non-staining thin dry film.

CHAIN & CABLE LUBE displaces moisture, does not attract dirt and penetrates rust and corrosion. This extreme pressure high load carrying lubricant reduces wear and lowers friction between metal surfaces.

TYPICAL USES:

- PAPER MILLS
- CHAIN SAWS
- GUNS
- BICYCLE CHAINS
- MOTORCYCLE CHAINS
- CONVEYORS
- LOCKS & HINGES
- CONTROL CABLES

DIRECTIONS: Shake well before use. Spray an area to be treated. Carrier evaporates leaving lubricant film.

IMPORTANT: Contains solvent which may affect certain plastics. Test thoroughly before use.

USE ONLY IN WELL VENTILATED AREA

READ CAREFULLY BEFORE USING THIS PRODUCT

DANGER: EXTREMELY FLAMMABLE: Do not spray into or use near sparks, open flame or pilot light. Vapors will accumulate and may ignite explosively. Keep area well ventilated during use until all vapors are gone. **HARMFUL OR FATAL IF SWALLOWED.** Do not ingest, eat or swallow. **EYE IRRITANT.** Avoid contact with eyes or skin. **VAPOR HARMFUL.** Avoid inhalation of vapors. Use with adequate ventilation. Avoid continuous breathing of vapors or spray mist. If you experience eye watering, headaches or dizziness, increase fresh air or wear respirator protection (**NIOSH/MSHA TC 23C OR EQUIVALENT**) OR LEAVE THE AREA.

CONTENTS UNDER PRESSURE: Do not puncture, incinerate, burn or store above 128°F, set on stove or radiator. Do not discard into home trash compactor. **FIRST AID:** If swallowed, Do not induce vomiting. Call a physician immediately. In case of eye contact, flush thoroughly with copious amounts of water for 15 minutes and get medical attention. For skin contact, wash thoroughly with soap and water. In case of respiration difficulty, provide fresh air and call a physician. **INTENTIONAL MISUSE BY DELIBERATELY CONCENTRATING AND INHALING THE CONTENTS MAY BE HARMFUL OR FATAL.**

CONTAINS: Solvent naphtha (petroleum) heavy aliph. (64742-96-7), Distillates (petroleum), hydrotreated light (64742-47-8), Hexadecan-1-ol (36653-82-4)
