LIKE NU NEW & IMPROVED #173311

Aerosol Ceiling Tile Restorer

Features:

- Easy to use
- Water-based paint that covers and restores ceiling tiles to look brand new
- Fast drying, will not warp or sag ceiling tiles

Description:

LIKE NU NEW & IMPROVED is a water-based paint that covers up and restores stained ceiling tiles to look brand new again. For use on textured and acoustical ceiling tiles. It is fast drying, sprays upright, and will not warp or sag tiles.

Applications:

- Paint Acoustic Tiles
- Stained Ceiling Tiles
- · Paint crown moldings without removing them
- Touch up stains on drywall

Product Characteristics:

Appearance: Aerosol Odor: Aromatic Boiling Point: -44°C (-47.2°F) Danger of In use, may form flammable/explosive Explosion: vapour-air mixture. Explosive Limit-Lower (%): 1.7 Vol % Explosive Limit-Upper (%): 10.9 Vol % Evaporation Rate: Not applicable Auto-Ignition Temp: Product is not self-igniting. Relative Density: Between 0.77 and 0.85 (Water equals 1.00) Flash Point: -19°C (-2.2°F) Coverage: Up to 15 square feet Specific Gravity: 0.83 Cleanup: Paint or lacquer thinner MIR Value: 0.93, Non-flat coating (cannot exceed 0.95 HAPS Content: 16% Storage Temperature: 50-90°F Heat Resistance: 250°F Resin System: V.T. Alkyd Shelf Life: Guaranteed for 2 years Food Contact Rating: No Storage: Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Transport Information: UN1950 Proper Shipping Name:

VOC Compliancy: Not available.

Directions:

1. USE CARE — This distinctive sprayhead will release the product if pushed to the side. The paint is sprayed upward when can is held in the upright position.

2. For best results, can should be at room temperature 70° F and 90° F (21° C and 32° C).

3. SHAKE CAN vigorously for one minute after mixing ball is heard and occasionally during use.

4. Before spraying, be sure to cover floor, furniture, and ceiling fixtures to prevent their being spotted with paint. If the ceiling stain is near a wall, be sure to cover the nearby wall area.

5. This product is designed to spray ceiling with the can held in an upright position 8 to 10 inches (20 to 30 cm) from the surface. Press the sprayhead to the side and spray the paint on the stain in either a circular or criss cross pattern.

6. To prevent clogging and to clean the sprayhead for future use, turn can upside down and push the sprayhead to the side for about 2 seconds, or until no more paint comes out.

7. Discard empty can in trash pick-up. DO NOT place in home garbage compactor.

Dry Time*:

To touch: 15 minutes *At 70°F, 50% humidity,1.5 mil thickness **Curing/Recoat time is extended with multiple coats and excessively thick coats**

Gloss*: Flat *as measured on a 60 degree gloss meter
