

# MORNING BREEZE #2305

## Liquid Deodorant Concentrate

### Features:

- Extremely long lasting
- Non-toxic, biodegradable, acid free
- Leaves no residue
- Non-staining
- Soluble in water
- Contains no harmful fluorocarbons
- Highly concentrated

### Description:

MORNING BREEZE is a highly concentrated liquid deodorant. A drop or two is all that is needed to eliminate a variety of malodors and leave a refreshing aroma. This deodorant is safe to use in air conditioner filters, commodes, cleaning solutions, pet beds, laundry rooms, automatic scrubbers, shampooing machines and in used cars to eliminate musty and beverage odors. When used as a space spray, product needs to first be diluted with five parts water.

### Applications:

- Hotels
- Veterinary Clinics
- Nursing Homes
- Hospitals
- Laundry Rooms
- Automobiles

Packing Group:	II

### DOT Placard:

### Directions:

**General:** A drop or two in commodes, wash rooms, disposals, garbage cans, pet beds, air conditioners, filters, litter boxes and other enclosed areas eliminates malodors and leaves a refreshing aroma.

**Carpets:** A small amount eliminates odors and leaves a pleasant aroma. For carpet cleaning, add two oz. per gallon of shampoo solution. This product eliminates odors associated with urine, vomit, smoke and mildew.

**Laundry rooms:** A small amount of concentrate added to the wash water deodorizes a large load of laundry against offensive odors.

**Mop Bucket or Automatic Scrubber:** One (1) ounce per gallon of scrub water eliminates undesirable odors.

**Used Cars:** A squirt of this product in old cars will eliminate musty odors and beverage smell.
