

ROACH AND ANT SPRAYS

BULLS EYE & GARB-CIDE

BULLS EYE #1547

Roach and Ant Spray

BULLS EYE is an EPA registered residual crack and crevice spray. This solvent-based insecticide is formulated with ETOC for the fastest knockdown possible. It kills a broad spectrum of insects on contact. Also contains esfenvaterate for residual treatment up to 7 weeks. Provides total control of listed crawling insects. Pleasant vanilla fragrance. *Not registered in all 50 states.

FEATURES

- Effective up to 7 weeks against: ants, cockroaches, fleas, ticks and other listed insects
- Solvent-based
- Contains ETOC for the fastest knockdown
- 18,000 Volt Dielectric Strength
- Pleasant vanilla fragrance
- EPA registered

GARB-CIDE #1503

Aerosol Residual Insecticide

GARB-CIDE insecticide is a specially formulated spray that is designed for use in and around dumpsters, garbage cans and other areas where insects breed or attract. It has a very powerful knockdown and kill factor along with a pleasant cherry fragrance. Low VOC (volatile organic compound). Provides total control of crawling and flying insects, including ants and roaches. Care should be taken to avoid depositing the product onto exposed surfaces to introducing the material into the air. Contains ETOC to kill bugs instantly and esfenvaterate for up to 7 weeks residual killing action. *Not registered in all 50 states.

FEATURES

- Provides total control of crawling and flying insects
- Effective for up to 7 weeks of residual killing action
- Can be used both indoors and outdoors
- Use outdoors as an aid in reducing annoyance from flies and mosquitoes
- Indoor uses are crack, crevice and spot treatment
- Will not stain woodwork
- 18,000 volt dielectric strength
- EPA registered
