

# T-LUBE #1099101

## Aerosol Penetrating Gel Lubricant with PTFE

### Features:

- Contains PTFE for enhanced lubrication
- Spray anywhere with a 360° valve
- Withstands extreme pressure
- Works from -30°F to +600°F
- High adhesive strength
- Loosens rusted or bonded parts
- Quickly penetrates rust and oxidation
- Works longer to loosen frozen parts
- Resists water washout

### Description:

T-LUBE is a clear, high adhesive strength, penetrating lubricant designed to loosen metal parts that have bonded together due to rusting or oxidation. Easily dispensed spray penetrates rust and oxidation by initially going on thin and immediately forming a viscous, clear grease. Stays put to help free frozen parts and prevents sticking and freezing of rubber and metal. Applies as a thin penetrant and quickly sets to a clear tacky gel. Made with a unique combination of natural and synthetic lubrication agents coupled with a high molecular weight polymer (PTFE). This product lasts longer than conventional lubricants and withstands severe temperatures.

### Applications:

- Open Gears
- Wire Ropes
- Cables
- Conveyors
- Sprockets
- Chains

### Product Characteristics:

Appearance:	Liquid
Vapor Density:	1.55 (air=1)
Density:	6.26 lb/gal
Density VOC:	1.56 lb/gal
% VOC:	25%
Flash Point:	-29°C (closed cup)
Evaporation Rate:	9.1 (butyl acetate =1)
Flammability(solid/gas):	Flash point below 73°F / 23°C
Explosive Limit-Lower (%):	0.7%
Explosive Limit-Upper (%):	12.8%
Viscosity, Kinematic:	<0.205 cm <sup>2</sup> /s (40°C)
Storage:	Protect from sunlight. Do not expose to temperatures exceeding 50°C / 122°F. Store in a well-ventilated place. Store locked up.
<b>Transport Information:</b>	
UN Number:	UN1950
Proper Shipping Name:	Aerosols (LTD QTY)
Class:	2.1
Packing Group:	Not applicable.

### Directions:

1. Shake can vigorously for one minute after mixing ball begins to rattle.
2. Saturate area to be lubricated.
3. If necessary, repeat application.

### Pictograms:

**Signal Word:**  
DANGER.

### Personal Protective Equipment Required:

**DOT Placard:**  
Not available.

**VOC Compliance:**  
Not restricted in any state.
