

# SANI-SHIELD ANTIMICROBIAL CLEANER

#2577

ONE STEP  
CLEANER &  
PROTECTANT

## SANI-SHIELD ANTIMICROBIAL CLEANER

### 3-IN-1 Antimicrobial Cleaner

#### PRODUCT DESCRIPTION

SANI-SHIELD® is a 1-step “spray and wipe” surface technology for general cleaning, deodorizing and protecting of hard, non-porous environmental surfaces. It is user and earth safe, free of harsh acids or alkalis, phosphates, ammonia, glycol ethers, terpenes, hydrocarbon propellants, CFC's, quaternary ammonium compounds and chlorine bleach. Cleans 99% of everyday soil, grime, foodstuff, soap scum, grease, oil and other organic soil on tables, counters, appliances, sinks, tubs, tile, toilets, faucets, mirrors, computers, TV remotes, door handles and railings—for all horizontal and vertical surfaces. Protects surfaces with an invisible, “antimicrobial” water, soil and stain repellent barrier coating on which odor-causing bacteria, mold and mildew will not grow in-between cleaning. It reduces the adhesion and build-up of organic soil and inorganic hard water minerals, lime scale, rust and stains for easier next-time cleaning.

#### PRODUCT FEATURES

- 1-step cleaner and protectant
- Cleans with the oxidizing power of hydrogen peroxide
- Shields surfaces to prevent re-soiling and re-contamination for easier cleaning
- Provides prolonged protection against damaging microbes such as odor causing bacteria, fungi, mold, mildew, algae and other microorganisms for 90 days or longer without reapplication
- Provides antimicrobial/bacteriostatic barrier that inhibits the growth of odor causing bacteria, algae, fungi and other contaminants
- Reduces time, labor and maintenance
- Leaves a refreshing minty fragrance
