Date: 2/7/2023

Product: **Electro Solv Bulk (2616), Free All (170601) & XL 866 (171901)**

Some may have seen the post on Facebook about Electro Solv Bulk, Free All and XL 866 being discontinued and we wanted to clear up some of the confusion.

Electro Solv Bulk was discontinued but we hope to have a suitable replacement in the next few weeks.

We have worked with the supplier on **Free All** to keep it in stock. We hope to have more in the warehouse soon!

Also, we are currently working with the supplier to keep **XL 866** in stock. We will keep you posted, but in the meantime, we still have over 2000 cans in stock.

We apologize for the confusion and please call the office if you have any questions.
