

FRESH ODOR GUIDE

As the temperature rises in the spring and summer, so does the amount of energy available for odor-causing molecules. Be prepared and ready to take on those difficult, foul odors.

Pro Chem offers a comprehensive line of deodorizers and air fresheners that will help your facilities and grounds stay ahead of the smell, while saving you time and money.

AIR TAGS - #3365

Air Fresheners to Place Anywhere

- 100% more fragrance than typical air fresheners
- VOC compliant
- Recyclable
- Suction cups are included to attach AIR TAGs to windows, mirrors and more
- Meets the "Purchase of Sustainable Cleaning Products and Materials" criteria under the LEED Point Management System
- Lasts for 30 days

Ideal for: Colleges/Universities, Fleets, Golf Courses, Factories, Hospitals, Municipalities, Hotels/Motels, School Systems

"AirTags are great for Fleet Trucks. They are easy to throw in to the side of the door and create a great fragrance throughout the truck."

AIRMATIC - #1358

Aerosol Metered Odor Neutralizer

- Advanced formula helps to neutralize & counteract malodors
- One aerosol can may be metered to last up to 168 days between refills
- Programmable dispensing allows maximum cost control
- Both visual and audio indicators are provided to show when refill or battery needs to be replaced

Ideal for: Offices, Hotels, Schools, Nursing Homes

"AirMatic is great for all restrooms. Customers love the variety of scents."

BIO-FRESH - #2434/#2431

Waste Liquefier & Odor Eliminator

- Digests & liquefies waste
- Instantly eliminates odors
- Extremely powerful
- Solubilizes grease
- Activates drain lines and grease traps
- Removes odors from carpeting

Ideal for: Drain Lines, Restrooms, Grease Traps, Carpets, Dumpsters, Condensate Drain

"My hotel & resort customers use Bio-Fresh Linen in their hallways. It helps eliminate the musty odor. In the guest rooms, they will also use it to treat bedding, upholstery and carpeting."

EVOKE - #2570

Scent Diffuser Oils

- Pure fragrance oils
- Contains malodor counteractant and odor neutralizer
- Low fragrance particles (below 5 microns) allowing for longer 'hang time'
- VOC exempt fragrances
- No propellants

Ideal for: Restrooms, Municipalities, Hotels, Offices, School Systems, Government

"All customers love Evoke. It is great for restrooms, offices and schools. Dispensers are available for your desk, floor or wall as well!"

DUMPSTER PATROL - CITRUS - #3306

Granular Odor Eliminator

- Provides odor control for trash collection areas
- Contains all-natural citronella oil
- Pleasant citrus fragrance
- Non-corrosive – safe to use
- Biodegradable – environment-friendly
- Deters annoying flying insects
- Long-lasting and user friendly

Ideal for: Dumpsters, Trash Cans, Trash Collectors

"Parks and Recreation Departments love Dumpster Patrol to help eliminate odors in their dumpsters. The product is biodegradable and does not add to the waste, but actually degrades into the soil."

EVERGREEN - #2337

Industrial Strength Deodorant

- Attacks the source of the foul odor and neutralizes it instantly
- Highly concentrated
- Contains no petroleum distillates
- Leaves a lasting, pleasant, spearmint fragrance
- For most applications, a 4 part water and 1 part EVERGREEN deodorant is appropriate
- Acid free, caustic free and biodegradable

Ideal for: Industrial Plants, Water Treatment Plants, Schools, Landfills, Veterinary Clinics

"My Wastewater Treatment Plants love Evergreen to treat odors. This product attacks the source of the foul odor and immediately neutralizes it."

EZ-BREEZY - #3313

Professional 30-Day Air Freshener

- 30-day air-freshening for large spaces
- Easy to use and install. No messy liquids or oils.
- Effective – contains 3-5x more fragrance than retail plug-ins
- Improves air quality – the high-speed fan draws air through the charcoal filters, helping to clean the air
- Environmentally friendly – refills are 100% recyclable and no batteries required

Ideal for: Retail, Schools, Hospitals, Offices, Hotels/Motels, Nursing Homes, Healthcare, Fitness Centers, Colleges/Universities

"EZ-Breezy is great for every type of space. They are very easy to use and last up to 30 days."

CLEAN AIR - #2344

Bacteria & Odor Control for HVAC Systems

- EPA registered; lowest EPA Toxicity & Safety rating
- Ready to use, no diluting necessary, easy to apply
- Can be used in occupied spaces - no evacuation necessary
- Point-of-contact microbial control
- Effective against gram positive and gram negative organisms as well as yeasts, mold, mildew, fungi and algae
- Environmentally safe - no environmentally damaging propellants or flammable ingredients
- No harmful chemical residue - no rinsing required
- Contains no perfumes, masking agents or alcohol

Ideal for: Evaporator Coils, Hotels, Restrooms, Automobiles, Hospitals, Dumpsters, Kennels

"Customers use Clean Air to treat their ventilation systems. The bacteria and mold will cause odors in a facility and treating with Clean Air will eliminate those odors completely."

FRESH ODOR GUIDE

FOAM-N-FRESH - #1208101

Aerosol All-Surface Cleaner & Deodorizer

- Water-based, non-toxic formula
- Quickly removes grease, dirt and grime
- Foam clings to vertical surfaces
- Long lasting plumeria scent
- 100% Biodegradable

Ideal for: Metal, Porcelain, Wood, Tile, Glass, Plastic, Other Hard Surfaces

"Customers can use Foam-N-Fresh on just about all surfaces. It leaves a long lasting plumeria scent and removes dirt, grease and grime easily."

FRESH AIR IN A BUCKET - #3333

Air Freshening Beads

- Heat stable up to 350°F
- Can be used in most fan cabinets
- No mess
- Containers with resealable lids keep product airtight, extending life of bead bags
- Provides pleasant background fragrance that is not overwhelming

Ideal for: Air Vents, Pet Areas, Vacuum Bags, Vehicles

"Fresh Air in a Bucket pouches are great for Fleet Trucks. They are easy to throw in to the side of the door and create a great fragrance throughout the truck."

LEMON DROP - #2395

Wastewater & Sewer Deodorizer

- Ready to use
- Does not affect bacterial action
- Water based – no harmful solvents
- Attacks the odor
- Formulated to control obnoxious odors

Ideal for: Wastewater Treatment Plants, Aerators, Garbage Containers and Trucks, Dumps, Drain Fields, Sewer Lines

"Lemon Drop is great for Wastewater Treatment Plants and Landfills. It is a powerful formula and effectively controls odors."

MORNING BREEZE - #2305

Liquid Deodorant Concentrate

- Extremely long lasting
- Non-toxic, biodegradable, acid free
- Non-staining and leaves no residue
- Soluble in water
- Contains no harmful fluorocarbons
- Highly concentrated

Ideal for: Laundry, Nursing Homes, Veterinary Clinics, Hotels, Automobiles

"Customers will wash their clothing with Morning Breeze. You can actually add it to your laundry detergent and the product will eliminate the foul odors."

NATURAL AIR - #2363

Air & Surface Spray

- Natural, non-toxic and biodegradable ingredients
- Safe to use around people and animals
- No added fragrance
- Contains no alcohol
- Non-staining, can be sprayed on fabrics
- Can be applied using a fogger
- Recognized for safer chemistry by the EPA's Safer Choice

Ideal for: Animal Shelters, School Systems, Offices, Nursing Homes, Hospitals

"Natural Air is a perfect product for animal shelters or veterinary clinics because there is no added fragrance. Some fragrances or oils can kill or poison the animals."

TRI JET FOGGER - #4778

(Use with ODOR OXIDIZER or BULK LIQUID DEODORIZER)

Durable General Purpose Fogger

- Can atomize either water or oil based solutions
- A one-turn control knob adjusts the particle size and degree misting
- Power head can be adjusted up or down to the angle required

Ideal for: Food Plants, Hotels, Barns, Schools, Locker Rooms, Nursing Homes

ODOR OXIDIZER - #2311

Industrial Strength Deodorant

- Economical deodorant strong enough for use in sewer lines, garbage trucks and garbage dumps
- Attacks the source of the odor
- Concentrated
- Contains no petroleum distillates
- Penetrates hard-to-reach areas
- Water-based, biodegradable and phosphate-free
- Neutralizes the odor with pleasant cherry fragrance

Ideal for: Wastewater Treatment Plants, Sanitary Trucks, Dumpsters

"Wastewater Treatment Plants will use Odor Oxidizer to eliminate bad odors. The customers love the cherry fragrance."

ODOR OUT - #3349

Granular Odor Suppressant

- Non-caustic
- Effective, instant action
- Ready to use
- Cost effective
- Can be used indoors or outdoors
- Dispensed by simply pouring or shaking

Ideal for: Compactors, Sand Urns, Sewers, Locker Rooms, Garbage Receptacles

"Odor Out is great for smoke urns, sanitary trash cans, trash compactors, floor drains and trash cans. It's a great product because it is ready to use and cost effective."

ODOR SOCKS - #3887

Industrial Strength Deodorizing Sock

- Industrial strength - Fights odors for 30-45 days
- Air-activated deodorizing
- 100% organic carrier
- Ideal replacement for Para Blocks

Ideal for: Water Treatment Facilities, Dumpster/Garbage Collection, Fire Restoration, Sewers, Industrial

"Hospitals will use Odor Socks in their dumpsters when the Super Blocks are too big."

REFRESH - #2336

Concentrated Odor Neutralizer

- Destroys malodors for up to 24 hours
- Very pleasant fragrances
- Just a few sprays kills odors completely
- Removes odors by molecular neutralization

Ideal for: Garbage Collectors, School Systems, Offices, Nursing Homes

"Refresh is another product that everyone can use. A beer distributor can spray it in their dumpster to eliminate that stale barrel smell. After big banquet events, hotels will clean their carpeting and spray Refresh Holiday Morning on the carpet. They receive raving compliments about the fragrance."

SUPER BLOCKS - #3320

20 Pound Deodorant Blocks for Use In Drainage Sewers

- Mesh hanger for easy hanging
- Fights odors for up to 14 weeks
- Controls odors from outdoor smoking areas
- More effective than liquid products
- Around the clock odor control

Ideal for: Water Treatment Plants, Dumpster/Garbage Collectors, Sewers

"Customers will suspend the Super Blocks in the air to eliminate odors."

TOTALLY DRY - #1336

Aerosol Room Deodorant

- Chemically neutralizes foul odors by penetrating odor source
- Non-staining formula
- Dry mist
- Fine mist dissipates quickly to fill a room and is long lasting
- Available in a selection of pleasant fragrances

Ideal for: Hotels, Interiors, School Systems, Carpet, Smoking Areas

"Totally Dry is a great easy to use product. You can spray it anywhere, but especially great for smoking areas. Customers love the variety of fragrances."
