

HARD HAT NECK SHADE HI-VIS YELLOW #4317

Cooling Product

Features:

- Mesh material
- Elastic ribbing allows shade to fit on the outside of the hard hats
- Rated UPF 40
- Hi-Vis Lime
- Hard hat sold separately

Description:

The HARD HAT NECK SHADE is made from soft lightweight material while the hi-vis makes it have greater visibility. Blocks neck from the sun on job sites lacking other forms of shade. Universal fit for cap style and full brim hard hats.

Applications:

- DOT's
- Municipalities
- Parks & Recreation
- Public Safety
- Utilities
- Railroads
- Fleet Operations
- Construction Sites
