ODOR OXIDIZER #2311

Industrial Strength Deodorant

Features:

- Economical deodorant strong enough for use in sewer lines, garbage trucks and garbage dumps
- Attacks the source of the odor
- Concentrated
- Water based
- Contains no petroleum distillates
- Penetrates hard-to-reach areas
- Biodegradable and phosphate free
- Neutralizes the odor with a pleasant fragrance

Description:

ODOR OXIDIZER rapidly penetrates the source to control bad odors with a three-way action. It 1) deactivates the source; 2) neutralizes the malodor; and 3) provides a fresh, pleasant fragrance. Loaded with quality ingredients, ODOR OXIDIZER is very effective as an odor control agent for a broad spectrum of malodors, instantly soluble in hot, cold, hard or soft water. Because it is non-oily and non-staining, it can be applied directly on any surface that is not adversely affected by water.

Applications:

- Dumpster
- Sludge Beds
- Pits
- Storm Drains
- Street Culverts
- Gutters
- Dump Areas
- Sewer Lines
- Sanitary Trucks
- Sewer Upkeep
- Disposal Grounds
- Refuse Grounds

Product Characteristics:

Appearance:	Clear, red liquid
Odor:	Cherry
VOC Content (wt. %):	4.9
Vapor Density:	Not available
Solubility (water):	Complete
Flash Point:	124°F
Viscosity:	Not available
pH:	5-8
Melting/Freezing Point:	Not available
Relative Density:	1.0
Specific Gravity:	1.0
Evaporation Rate:	Not available
Storage:	Store in a well-ventilated place. Keep cool. Keep container tightly closed.
Transportation Information:	
Proper Shipping Name:	Not regulated.
UN Number:	Not regulated.
Class:	Not regulated.
Packing Group:	Not regulated.

DOT Placard:
Not regulated.

VOC Compliant:
Yes.

Directions:

As a sewer deodorant, attach to faucet and allow to drip in main line or pour in a small amount. Use full strength to help in areas containing sulfide gases and other strong odors. Spray area daily with a 1% to 2% water solution.

As a deodorant spray for sanitary trucks, etc., cut approximately 20 parts water to 1 part concentrate.
