Product: **Gloves, Orange Nitrile Textured**

Product Code: SP438307, SP438308, SP438309 & SP438310

In an effort to be more competitive in the disposable glove market we have decided to mark our Orange Nitrile Gloves down to \$289 per case effective immediately. The cost of the gloves will remain the same as we have not received a lower price on the gloves but felt that we should be able to offer the gloves at a price comparative to our competitors.

As soon as we sell through the Glove Works Brand, we plan to begin selling our own Pro Chem Premium Plus private label brand at the same reduced price.
