

PROTECT YOUR ASSETS THIS WINTER

Pro Chem, Inc. | 1475 Bluegrass Lakes Parkway | Alpharetta, GA 30004 | Procheminc.com | 1 (800) 241-8180

Winter can be one of the most demanding seasons, and nothing but the highest-performing products will do the job. Sidewalks and common areas need to be kept free of ice, to avoid slips, falls and injuries. Vehicle windshields need to be kept ice-free for clear visibility. Streets and highways need to be salted to keep travel conditions safe. Pro Chem offers a comprehensive line of winter products that will help your facilities and grounds stay ahead of the unpredictable winter weather, while saving you time, money, and reducing winter slips and falls.

VEHICLE SAFETY, MAINTENANCE & CLEANING

SNOW KOTE

Snow Plow Protective Coating

- Protects against rust and corrosion
- Reduces friction for more efficient plowing
- Will not wash off
- Leaves a hard, slippery layer of silicone on plow blades
- Reduces fuel usage
- Reduces wear and tear on equipment

FROST FREE

Powerful Deicer Concentrate

- Methanol based deicer that penetrates frost, ice, and snow quickly
- Provides better visibility for safer driving
- Quickly penetrates ice and snow
- Can be used all year long
- Won't freeze in winter

SALT OFF

Ice Melt Rinse Additive

- Concentrated aqueous solution
- Quickly lifts, neutralizes and removes the dull, white, chalky residue left by ice melting chemicals
- Contains highly active dispersants and penetrants
- Dissolves salt residue without harming painted or finished surfaces
- Helps prevent discoloring of floors and carpets

MEAN GREEN

Snow & Ice Melting Compound

- Generates exothermic heat to power through thick ice deposits
- Effective in temperatures as low as -6°F
- Green colored granules reduce the possibility of over application
- Won't harm plant life, concrete or asphalt when used as directed
- Works quicker than ordinary ice melters
- Contains anti-corrosive material

ICE FIGHTER EXTRA

Ice Melting Compound

- Blend of sodium chloride crystals infused with calcium chloride and potassium chloride
- Designed to provide greater slip protection on steps, sidewalks, driveways and more
- Formulated with a corrosion inhibitor
- Non-tracking – Designed to stay where applied
- Less harmful to concrete and plants
- Highly visible orange color indicator
- Heavy duty, UV protected and non-slip packaging
- Low melting temperature -20°F
- Usable in a spreader

ICE OUT

Ice Melting Compound

- Melts ice on contact
- Formulated using Quadramax technology to maximize product performance and safety
- Non-tracking blue granules that will not leave an oily residue on carpets
- Low corrosive properties
- Effective below -5°F
- Easy-to-Use

ICE ERASER PLUS

Aerosol Frost & Ice Remover

- Quickly melts ice and frost
- Will not harm paint, cloth, metal, rubber, glass or plastic
- Works quickly and effectively
- No residue to impair visibility
- Helps prevent ice formation

LIQUID SNOW & ICE MELT

LIQUID MEAN GREEN

Liquid Ice Melt

- Concentrated
- Fast and easy to use
- Effective in temperatures as low as -60°F
- Can be used before or after precipitation
- Can be used in the summer to suppress dust on dirt and gravel roads
