

PRODUCT BULLETIN

Date: 6/21/2023

Product: **Brake Away II**

Product Code: **#1830**

When placing an order for **Brake Away II**, we were informed by the lab that the product is now VOC restricted in the following states: **California, Colorado, Connecticut, Utah, Delaware, Rhode Island, New York, Michigan, and Ohio**. All product information is currently being updated on the website and we are receiving a label update on our next order.

If you are selling in Colorado or Ohio, you can promote alternative brake cleaners such as Brake Away Plus and Brake Out (not for sale in California). Please reach out to the office if you have any questions.
