

BATTERY OPERATED EZ-BREEZY DISPENSER #431302

Professional 30-Day Air Freshener

Features:

- Covers 100-250 sq. ft.
- 30 day air-freshening for medium spaces
- Light activated with three intensity settings
- Smart chip technology runs the fan intermittently, turning longer as the 30 days progress (the fan does not run continuously)
- Hang approximately 6 ft. high in the center of the space; no need for a ladder
- Easy to refill and replace the battery
- Improves air quality
- 100% recyclable and VOC compliant
- Environmentally friendly
- Charcoal filter can be rinsed and last for 3-5 years
- Requires one C Alkaline Battery
- Removing the battery starts the program over at day one
- Compatible with EZ-BREEZY Coconut Vanilla (331301), Morning Lavender (331302), Spa Minerals (331303), Island Sunrise (331304)

Description:

EZ BREEZY - BATTERY OPERATED Dispensers are easy to use and operate and the easy magnetic closure makes replacing the refill and battery quick. The dispenser offers an intensity button allowing you to select the right setting for your desired level of fragrance. A high-speed fan draws in air through a charcoal filter, helping in cleaning the air quality around you.

Applications:

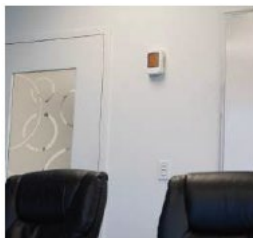

- | | | |
|--------------|--------------------|-------------------------|
| • Retail | • Schools | • Hospitals |
| • Offices | • Hotels/Motels | • Nursing Homes |
| • Healthcare | • Fitness Centers | • Colleges/Universities |
| • Restrooms | • Conference Rooms | • Lobbies |

Directions:

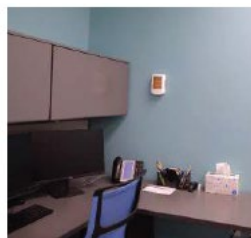

Dispenser: Light Sensitive - fan runs at regular program setting when there is light (natural or artificial) and runs at half program when dark.

Filter Cleaning: Simply rinse the dust and dirt out of the charcoal filter under cold water and lay **FLAT** to dry. Once dry it can be placed back in the dispenser.
