

PRODUCT BULLETIN

Date: 8/17/2023
Product: **Multi Oxide**
Product Code: 239001

We were recently notified by the supplier that our Multi Oxide has an expiration date and unfortunately, our current inventory has expired and must be discarded.

The product is no longer available to be private labeled under the Pro Chem label. We will however, make the product available to order as a non-stock under the manufacturer's label. It will now be called Facility +.

Please contact the office if you or your customer have any questions or concerns.
