Product: **Electro Blast II – STOP SALE**
Product Code: 1182201

Due to a few customers receiving defective cans of Electro Blast II, we are issuing a STOP SALE on Electro Blast II. We have reached out to the supplier for replacements, however in the meantime, please direct your customers to the original **Electro Blast (#164901)** until we come to a solution for the Electro Blast II.

For the last few days of the Team Sales Contest, we will include **Electro Blast (#164901)** as part of the contest, as Electro Blast II is unavailable.

We apologize for the inconvenience and appreciate your patience.
