

SURGE60 #3206201, 3206301, 3206401

60-Day Vertical Urinal Screen

Features:

- 60 days of fragrance
- Almost 3x more fragrance than competitive screens
- No mounting – designed to lean upright in most urinals
- Faster installation and removal
- No suction cups, less waste
- Double-sided – performs on either side
- Creates better, more even fragrance evaporation
- Beneficial bacteria consumes the source of odors
- Indicator date tabs remind when to replace
- Patented fragrance load – no one freshens stronger
- Available in 3 fragrances – Lavender (3206201), Linen (3206301), Midnight Musk (3206401)

Description:

SURGE60 urinal screens reduce odors for up to 60 days. Beneficial bacteria consume the source of odors leaving behind a pleasant fragrance. Installation and removal is fast and easy. Product includes an indicator tab for replacement notification time.
