

TRAVEL SAFE THIS HOLIDAY SEASON WITH PRO CHEM'S SNOW & ICE MELTING COMPOUNDS

ICE FIGHTER #3463

Granular Ice Melting Compound

ICE FIGHTER is an ice melting compound that consists of multicolor crystals of calcium, potassium, and sodium chlorides that are fortified with UREA MAX. It is effective all the way down to -21°F . It is easy to apply and economical because you can see the coverage, which helps to avoid over application. ICE FIGHTER is safe for use on properly cured concrete and anywhere traction is needed to reduce risk of injury.

- Leaves no oil residue, helps eliminate tracking problems
- Provides instant traction under wheels
- Accidental contact is safe on grass, shrubs, carpets, concrete and skin when used as directed
- Effective in temperatures as low as -21°F
- Packaged in a reusable 40 pound pail

LIQUID MEAN GREEN #2966

Liquid Ice Melt

LIQUID MEAN GREEN is the sure way to stay ahead of winter storms and ensure safe pedestrian and vehicular travel. When used as a pretreatment, it prevents the bonding of snow and ice to pavement and other surfaces, which makes clearing much more efficient. This product is extremely effective in melting snow and ice in temperatures as low as -60°F on a multitude of surfaces.

- Concentrated, Fast and easy to use
- Effective in temperatures as low as -60°F
- Can be used before or after precipitation
- Can be used in the summer to suppress dust on dirt and gravel roads
- Packaged in a 5 gallon pail

MEAN GREEN #3461

Snow and Ice Melting Compound

MEAN GREEN can dissolve snow and ice in minutes, even when temperatures dip below 0°F . Distribute the product evenly on concrete or asphalt surfaces using a spreader, or simply use your hand and toss the pellets about the ground. MEAN GREEN is non-caustic to skin so it won't harm or irritate bare hands. It will not leave behind a residue that can be tracked onto carpets and floors.

- Generates exothermic heat to power through thick ice deposits
- Effective in temperatures as low as -6°F
- Green colored granules reduce the possibility of over application
- Won't harm plant life, concrete or asphalt when used as directed
- Works quicker than ordinary ice melters
- Contains anti-corrosive material
- Packaged in 50 pound box or 50 pound reusable pail
