| Transport Information: | |
| UN Number: | Needs revision for transport |
| Proper Shipping Name: | Needs revision for transport |
| Class: | Needs revision for transport |
| Packing Group: | Needs revision for transport |

Directions:

Shake well before using. Gloves are recommended to protect hands from paint and ink residue. Spray onto surface and lightly scrub in a circular motion to begin dissolving paint and graffiti. Continue to use a clean part of the cleaning rag for best results. Repeat as necessary.

When using on a pre-painted surface, initially test in an inconspicuous area to make sure paint is not removed along with the graffiti. This graffiti remover may attack certain plastics.
