

ANNOUNCEMENTS

Happy Holidays

Please see Pro Chem’s holiday schedule below. Because Christmas and New Year’s fall on Mondays this year, we have updated our schedule a bit to give everyone additional time with their families. Please note during the week of Wednesday, December 27 – Friday, December 29, the office will be open from 9 am – 4 pm ET. We hope everyone has a happy holiday season!

Christmas

Monday, December 25 - CLOSED (in observance of Christmas)
Tuesday, December 26 - CLOSED (in observance of Christmas)

New Year’s

Monday, January 1 - CLOSED (in observance of New Year’s)
Tuesday, January 2 - CLOSED (in observance of New Years)

Birth Announcement: Bowie Martin

Congratulations to Tony and Kim Martin, who welcomed their sixth grandchild, Bowie Martin, last week. We can’t wait to meet the newest addition to the Pro Chem family!

Stellar Start to December:

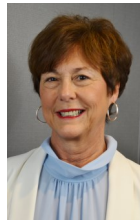

KENDALL KILBY

Congratulations to Kendall on an outstanding achievement—a \$25,000 day this week! Kendall set out to start December off with a bang! She is working hard to get in front of as many customers as possible, while simultaneously working on some projects that she has been diligently focused on. One of the projects involved a buyer who was difficult to work with many years ago. Kendall’s perseverance and in-depth knowledge of her products has made her one of his favorite suppliers to work with. Keep up the great work, Kendall!

Celebrating 38 Years of Success:

LORI NELSON

Join us in extending heartfelt congratulations to Lori Nelson as she celebrates her impressive 38th work anniversary with Pro Chem. From the beginning of her career, Lori has been an invaluable member of our team, displaying unwavering dedication, commitment, and genuine passion for sales. Not only has she served as a mentor to fellow sales representatives, but she has also been a true inspiration to the entire team. Congratulations Lori on all of your success!

The Gift of Giving

This year, Pro Chem donated to Hightower Food Bank. As a company, we adopted a family of 6 children in need in our community and donated gifts for their Christmas.

Pro Chem also sponsored an Atlanta organization this year, called Creating Connected Communities. It is dedicated to enhancing the lives of children experiencing hardship through community programming. We donated over \$14,000 in hand sanitizers for them to provide at the Annual Holiday Party.
