

Disinfect, sanitize and deodorize your space this winter season.

Cross infection caused by microorganisms and foul odors are the silent, invisible menace all maintenance and sanitation professionals are forced to face. From sanitizing foul air to eliminating cross infection in the workplace, we offer a variety of solutions that help you eliminate even the problems you can't see. One is just right for you!

MICROCIDE CITRUS #1310

Aerosol Surface Disinfectant & Room Deodorizer

- Broad-spectrum antimicrobial agent for environmental surfaces
- Fast drying
- Controls mold and mildew
