Did You Know? Christmas Edition

1. People have been sending Christmas cards since 1843.
2. The biggest Christmas gift ever was sent in 1865—it was the Statue of Liberty given to the US by France.
3. Before electric lights were invented, people decorated their Christmas trees with fruit, popcorn, and even candles!
4. Tinsel was originally made with real silver.
5. The largest gingerbread house ever made was as big as an actual house.
6. It took Mariah Carey only 15 minutes to write “All I Want for Christmas Is You.”
7. Santa has his own postcode. Santa may be the North Pole, Canada has a postcode reserved for children to send letters to him.
8. There are approximately 2.1 million reindeer in the world.
9. Alabama was the first U.S. state to recognize Christmas as an official holiday. Seriously! In 1836, Alabama declared it a holiday. Oklahoma was the last state to recognize Christmas as a holiday (in 1907).

Demo, Demo, Demo! Sani-Scrubz

Brittany Bledsoe demoed Sani-Scrubz at a university swimming pool to help remove dirt and grime from in between the tiles. They used Like Magic and rags for the demo, but the customer plans to use a deck brush on the edge of the pool to make sure it really gets in between the tiles and in the grout area. Thank you for sharing with us, Brittany!
