

# PRODUCT BULLETIN

Date: 2/19/2024  
Product: **Cool Flo**  
Product Code: #3226107

---

We've reached out to the lab for further details on the recommended dosage of **Cool Flo** for larger air conditioning units. Based on their recommendations, we've included the suggested amounts below. Additionally, we've updated the Pro Chem website and the Product Information Sheet with this information.

Size of Unit	Dosage (1-2 times per year)
2 – 10 ton	8 ounces
10 – 20 ton	12 ounces
20 – 30 ton	16 ounces
