Product: **Glass Defender – Product Information Update**
Product Code: 2079001

We have contacted the lab to inquire about the compatibility of **Glass Defender** on ballistic glass and it has been confirmed that the product can be used on the outside of ballistic glass (glass is made up of several layers). **Glass Defender** cannot be used during the manufacturing of the glass on the inside layers.

We have updated the PIS and website with this information. Thank you!
