Product: **Slip-Ez Bulk**

Product Code: **#2264**

We just received confirmation from the lab that our **Slip-Ez Bulk** is not considered VOC restricted as long as there is no mention of it being a lubricant on the label. We have also removed the word "lubricant" or "lubricates" from all product material so that we are compliant with VOC regulations.

This product is now available to be sold in all VOC restricted states. Feel free to call the office with any questions.
