

PRODUCT BULLETIN

Date: 3/8/2024
Product: **Fresh Air In a Bucket**
Product Code: #3333

As mentioned in a company wide letter sent in December, the owner of our Fresh Air In a Bucket supplier passed away suddenly which obviously caused major disruption in the business and led to delays in their production.

The company decided to close their doors but they did find a company to take over the Fresh Air In A Bucket production line. We are out of majority of the fragrances but we are being told by the new manufacturer that they should be up and running by the end of March and are hoping to have new product sometime in April.

In the meantime, below is our remaining inventory and we will be sending out an announcement as soon as the new products arrive.

We apologize for the inconvenience and please call the office if you have any questions.

Remaining Inventory of Fresh Air In a Bucket:

- FAIAB Honeysuckle: 1 Bucket
- FAIAB Peach: 1 Bucket
- FAIAB Pro Pourri: 4 Buckets
