

# HERBICIDES

Professional maintenance of buildings and grounds would be incomplete without the control of undesirable weeds and grasses. Utilizing a wide variety of active ingredients and carrier solvent systems, our line of weed and turf specialties represents the finest in non-crop weed control products. Whether your needs call for selective or non-selective, soil sterilants or non-sterilants, we have the product you can rely on. We offer both ready to use and highly concentrated formulas for your maximum savings.

## Edge #2800

*Non-Selective, Contact Vegetation Killer*

- Non-selective, non-residual weed killer
- Can be used on land and water areas
- Concentrated so it is economical
- Fast acting
- Visible results in a few days
- Quits working when it contacts the soil
- EPA Registered\*

## Terminator #2808

*Non-Selective Concentrated Herbicide*

- Highly concentrated; dilutes 1:9 with water
- Total kill
- Non-flammable
- EPA Registered\*
- Long lasting

## Weed Kill #2811

*Non-Selective, Total Kill Herbicide*

- Quickly and effectively kills all vegetation
- A single application stops weeds for an entire growing season
- Concentrated and cost effective
