EDGE

Non-Selective, Contact Vegetation Killer

- Non-selective, non-residual weed killer
- Can be used on land and water areas
- Concentrated so it is economical
- Fast acting - visible results in a few days
- Quits working when it contacts the soil
- EPA Registered

TERMINATOR

Non-Selective Concentrated Herbicide

- Highly concentrated; dilutes 1:9 with water
- Total kill
- Non-flammable
- Long lasting
- EPA registered

WEED KILL

Non-Selective, Total Kill Herbicide

- Quickly and effectively kills all vegetation
- A single application stops weeds for an entire growing season
- Concentrated and cost effective

WEED OUT

Non-Selective, Ready-to-Use Herbicide

- Controls weeds and grasses through foliage and root contact
- Soil sterilant
- Lasts a full growing season
- Fast burn-down of weeds
- Effective against most annual and perennial weeds and grasses

WEED OUT II

100% VOC Compliant, Non-selective, Ready-to-Use Herbicide

- Controls weeds and grasses through foliage and root contact
- Soil sterilant
- Lasts a full growing season
- Fast burn-down of weeds
- Effective against most annual and perennial weeds and grasses
- VOC compliant

WEED OUT IN A CAN

Aerosol, Non-Selective Weed Killer

- Fast acting and long lasting
- Soil sterilant and oil based
- Kills even well-established vegetation
- Prevents the return of weeds for one growing season
- Contains both Bromacil and 2-4-D
- EPA registered

BIG BLAST

Aerosol Wasp and Hornet Killer

- Kills on contact and with residual action
- Spray reaches up to 20 feet helping to avoid contact with insects
- Non-conductive up to 47,300 volts
- Safe for outdoor and indoor use
- EPA registered

ATTACK

Ready-to-Use Insecticide & Fire Ant Killer

- RTU liquid - no measuring, no mixing, no mess
- Fast effective control
- Residual, long-term action
- Kills on contact and keeps killing for up to 4 months
- Kills fire ants and most other insects and pests, including cockroaches
- May be used outdoors as an aid in reducing annoyance from flies and mosquitoes
- EPA registered

AWAY PLUS II

Insect Repellent

- Repels ticks (which may transmit Lyme Disease) and fleas from treated skin and clothing
- Repels mosquitoes that may transmit diseases such as West Nile Virus, Encephalitis and the Zika virus
- Leaves no sticky residue
- Pleasant fragrance
- High concentration of DEET - 25%
- EPA registered

AWAY PLUS WIPES

Premoistened, Insect Repellent Towels

- Keeps insects away for up to 4 hours
- No spray, no mess, no sticky residue
- Will NOT stain clothes or fabric
- Water-based, non-greasy formula
- No VOCs and non-flammable
- No strong or offensive odors
- Contains 25% DEET
- EPA registered

BULLS EYE

Roach and Ant Spray

- Effective up to 7 weeks against: ants, cockroaches, fleas, ticks and other listed insects
- Solvent-based
- Contains ETOC for the fastest knockdown
- 18,000 Volt Dielectric Strength
- Pleasant vanilla fragrance
- EPA registered

BUZZ KILL

Aerosol Instant Kill Wasp & Hornet Spray

- Kills quickly and with residual action
- Kills the entire nest and prevents nesting
- Jet spray reaches up to 20 feet above the ground
- Drops wasps, hornets and yellow jackets instantly
- Acts as a barrier that prevents insects from entering the building
- Can be used indoors and outdoors
- Dielectric strength of 49,500 volts, non-conductive
- Contains no CFC's or other ozone depleting substances
- EPA registered and VOC compliant

DRI-CIDE

Ready-to-Use Crack and Crevice Powdered Insecticide

- Has a six-month residual
- Clings to the body hairs and is carried back to the nesting area
- Contains Pyrethrin for quick knockdown and silicone dioxide, which dehydrates insects on contact
- EPA registered

FOG OUT

Dry Fog Flying Insect Killer

- Water-based insecticide
- Fogging action covers large areas quickly
- Contains powerful, natural pyrethrin
- EPA registered

GARB-CIDE

Aerosol Residual Insecticide

- Provides total control of crawling and flying insects
- Effective for up to 7 weeks of residual killing action
- Can be used both indoors and outdoors
- Use outdoors as an aid in reducing annoyance from flies & mosquitoes
- Indoor uses are crack, crevice and spot treatment
- Will not stain woodwork
- 18,000 volt dielectric strength
- EPA registered

PRO CIDE

Aerosol Insecticide for Both Flying & Crawling Insects

- Water-based micro-emulsion insecticide
- Controls ants and cockroaches for up to four weeks
- Kills lice and their eggs and kills bedbugs
- For use on bedding, furniture and other inanimate objects infested with lice
- Safe to be used on livestock and their premises
- Residual contact and space spray
- Controls fleas and ticks

RID 60

Water-Based Residual Insecticide

- Controls mosquitoes and lice
- Ready to use - Broad spectrum of kill - 60 day residual
- May be used through a fogger
- May be used indoors or outdoors
- May be used directly on dogs and ornamental plants
- EPA registered
